## CANVAS

## 150 VICTORY BLVD STATEN ISLAND, NY

"The Department of Small Business Services will present the initial findings of their Bay Street Commercial District Needs Assessment, and then ask North Shore business owners what their priorities are for commercial revitalization. We will discuss the strengths, challenges, and opportunities for business development on Bay St, and identify community-driven goals and potential strategies to achieve a vibrant commercial corridor."

**-NYC DEPARTMENT OF SMALL BUSINESS SERVICES**

"NYC Economic Development Corporation will present its North Shore Commercial Strategy. The strategy examines commercial office space needs citywide, and proposes potential opportunities to address some of those needs in coordination with the Bay Street Corridor Neighborhood Planning effort."

**-NYC ECONOMIC DEVELOPMENT CORPORATION**
