DRIE TENANTS LIST ~ By Borough/Block/Lot

- This report displays information on tenants that are currently receiving DRIE or who have received DRIE in the last year; it includes tenants that have a lease expiration date of 12 months ago and forward.
- This report also includes information on renewal tenants with a pending application ~ these applications to renew the DRIE benefit have been received by DOF but deemed incomplete. - This report is sorted by Docket Number, and then by application number. You may see a docket number with more than one application. This would happen if a tenant's prior lease expired less than 12 months ago.
- This list does not include initial applicants that were denied or pending as they never received DRIE benefits.
