Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

ADDRESS: 67 Tacoma St. S.I. N.Y. 10304

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

BROOKLYN N.Y. 11204

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Bayside NY 11360

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity. = TRUE! Because, st: 16 ounces have more colored water, not more sugar. 2nd: if sugar is culprit ban its use by BIG soda makers and BIGGEST sugar refineries! Or it is not politically correct?

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next? = I don't drink those beverages, and I don't use any sugar since 1994. But I always will defend the right of other persons to choose.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

ADDRESS: 792 Columbus Ave. NYC 10025

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.

Dear Commissioner Farley:

I am firmly against your proposal to ban the sale of fountain and bottled beverages over 16 ounces in restaurants, movie theatres, sports venues, coffee shops, food trucks and street carts. This won't help solve obesity.

This ban sets a dangerous precedent by giving the City the power to make personal choices for us. If this is now, what's next?

Fighting obesity and advocating for a healthier New York City is a priority, but don't trample our personal freedoms and rights in the process.
