DRIE TENANTS LIST ~ By Docket Number ~ Borough of Manhattan

- This report displays information on tenants that are currently receiving DRIE or who have received DRIE in the last year; it includes tenants that have a lease expiration date equal to or greater than 12 months from the date of this report.
- This report also includes information on renewal and initial tenants with a pending application ~ these applications have been received by DOF but deemed incomplete. Tenants with pending applications are mailed letters informing the applicant of what information must be supplied so that the application can be processed.
- This report is sorted by Docket Number, and then by application number. You may see a docket number with more than one application. This would happen if a tenant's prior lease expired less than 12 months ago.

If you have any questions about your application or DRIE benefit, please visit nyc.gov/contactdrie or call 311.
