

BOC Rules 60-Day Report: Punitive Segregation
 Reporting period April 1, 2016 to May 31, 2016

(i)	the number of inmates held in punitive segregation	Census on May 31: 145
	the number of inmates waiting to be held in punitive segregation	Backlog on May 31: 878 (157 GP and 721 MH)
(ii)	data related to the length of punitive segregation sentences and the frequency of the types of offences resulting in punitive segregation sentences	(see attachment)
(iii)	the status of the reduction of punitive segregation sentences from ninety (90) to thirty (30) days	The Department's new sentencing grid went into effect on February 21. This new sentencing grid is designed around a 30 day maximum sentence. No sentences longer than 30 days have been levied this reporting period.
(iv)	the status of implementation of the Department's planned policy to require that an inmate be released from punitive segregation for a minimum of seven (7) days before returning to punitive segregation	Counting for the 30 day length of stay limit began when the new rules went into effect on February 21. All inmates who were in punitive segregation on that date were released on or before March 23. From that time on, all inmates who serve 30 consecutive days are released for at least seven days before they may return to punitive segregation.
(v)	the number of punitive segregation sentences of thirty-one (31) to forty-five (45) days in duration given to inmates for a serious assault on staff, disaggregated by whether the sentence was approved or disapproved by the Chief of Department of a designee;	None
(vi)	the number of punitive segregation sentences exceeding forty-five (45) days in duration given to inmates for a serious assault on staff, disaggregated by whether the sentence was approved or disapproved by the Chief of Department of a designee;	Sentences given: One <ul style="list-style-type: none"> • Approved by the Chief: One • Denied by the Chief: None
(vii)	the number of punitive segregation sentences the Chief of Department or a designee reviewed forty-five (45) days after commencement and the number of instances where, as a result of this review, an inmate was placed in an alternative housing unit for the remainder of the sentence;	Number of reviews: One Number that were placed in alternative housing: None

BOC Rules 60-Day Report: Punitive Segregation
 Reporting period April 1, 2016 to May 31, 2016

(viii)	the number of requests submitted to the Chief of Department to hold an inmate in punitive segregation for more than a total of sixty (60) days within a six (6) month period, disaggregated by whether the request was approved or disapproved by the Chief of Department;	Total number of requests: 22 <ul style="list-style-type: none"> • Total number approved: 18 • Total number disapproved: 4
(ix)	the number of inmates who received two (2) or more placements in punitive segregation pursuant to section 1-17(d)(3);	1
(x)	the number of inmates currently in Department custody who have, during their current incarceration, been housed in punitive segregation a total of:	
	one (1) to thirty (30) days	801
	thirty-one (31) to sixty (60) days	260
	sixty-one (61) to ninety (90) days	65
	ninety-one (91) to one-hundred-twenty (120) days	52
more than one-hundred-twenty (120) days	91	
(xi)	the number of inmates currently housed in punitive segregation (May 31), who have been held there, consecutively, for:	
	one (1) to thirty (30) days	145
	thirty-one (31) to sixty (60) days	None
	sixty-one (61) to ninety (90) days	None
	ninety-one (91) to one-hundred-twenty (120) days	None
more than one-hundred-twenty (120) days	None	

BOC Rules 60-Day Report: Punitive Segregation
 Reporting period April 1, 2016 to May 31, 2016

(xii)	a plan and timeline detailing steps necessary to reduce the length of punitive segregation sentences and to reduce the number of inmates housed in punitive segregation	<p>Punitive segregation sentences have been reduced to a maximum of 30 days, with possible exception for assaults on staff that cause serious injury.</p> <p>The use of segregation will be further reduced when use is prohibited for young adult inmates.</p> <p>Additionally, DOC has partnered with the Vera Institute of Justice to develop safe alternatives to segregation. This nearly two year project includes a year of policy and procedure assessment before reforms are recommended and implemented. DOC will share any recommendations with the Board when they are issued.</p>
(xiii)	data related to the amount of recreation provided to inmates housed in punitive segregation	Number of inmates who went to rec: 660
	data related to the amount of out-of-cell time provided to inmates housed in punitive segregation	<p>Number of inmates who received 7 hours per day of out-of-cell time: 122</p> <p>Average daily population who received 7 hours of out-of-cell time: 14</p>
(xiv)	any other information the Department or the Board deems relevant to the Board's assessment of punitive segregation in Department facilities	Information has been shared with the Board as it has been requested.

*Total includes all punitive segregation and RHU areas Department-wide.
