IV. District Manager's Report - Thomas Lucania

1. Follow up on issues raised at January community board meeting

Thomas stated that at last month's meeting Mrs. Ostroga had spoken about owners not cleaning up after their dogs. He stated that he had spoken with Sanitation Enforcement about going to that area during the hours given. He stated that he was also asking for Curb Your Dog signs.

Thomas stated that Ms. Brandt had spoke about problems with night service on the #5 train. He stated that he had sent a letter to Mr. Hoffman of the TA questioning the night service and the R55 cars that are used on the #4 line. Thomas stated that the TA said that at this time all of the R55 cars are stored in the Jerome Rail Road yard along with the parts for repairs. He stated that no written reply has been received as yet.

Thomas reported that several months ago Community Board #11 recommended 5 applications to the Mayor's Office on the Stop the Violence application. He stated that 4 of the 5 were approved. They are: Allerton Business Association; Morris Park Association; N.I.D.C. and the Van Nest Community Association. Thomas stated that the Allerton Avenue Association was not approved because their application was strictly for equipment.

Thomas reported that the board took a \$14,000 budget reduction on January 1st. He stated that on July 1 we will take a \$28,000 reduction. Thomas stated that this reduction necessitated the laying off of one staff person and the cancellation of our cleaning contract. Thomas stated that we will be cutting down our mailing list and possibly canceling our micro fiche contract. He stated that hopefully this will save the remaining 3 staff members.

Thomas stated that the committee chairs need to designate a member to take the minutes at their meetings, especially for the Youth Committee as we do not know how long Rich will be on staff.

Thomas said that we need to reach out to the northern most section of the community. He stated that in April he hoped to set up an evening meeting in a public facility in that area to take complaints along with board members, police and other agencies.

Thomas spoke about the Quality of Life Committee. He stated that this committee will work with community associations who want to do clean ups in their area. He stated that this committee would address locations where there are habitual problems such as graffiti-

ti, underage liquor and drug sales. Thomas said that each association should have a representative on this committee. He then asked anyone who is interested in being on this committee to contact him.

Frank stated that he wanted to have the youth of the community on this committee.

James Gisondi stated his objections to a new committee being formed without it being discussed by the Executive Committee or coming before the entire board. James expressed his concern that some of the issues are in the purview of existing committees and he did not want another committee responsibilities usurped. He asked that this issue be further discussed before the board votes on it.

A great deal of discussion took place on this committee.

This issue was tabled until the March Executive Committee meeting.

III. Borough President's Report - Annette Marchitello

Annette gave the following report to Harriet:

1. FERRER: BUDGET DUMPS BIGGER SANIT BURDEN ON BRONX

Borough President Fernando Ferrer said that the Mayor's projected \$34 million budget reduction to the Department of Sanitation jeopardizes its modest improvement of cleaner streets this past year in The Bronx, according to a departmental report issued last week at the Borough Services Cabinet meeting.

School Special collection has lost \$877,000 reducing refuse collections at schools from 5 to 2 or 3 times per week,

Punzi said the areas to be hardest hit by the cuts also include Housing Authority Special Collection, which lost \$431,000 for supplemental building collections. Funding for discretionary Borough Superintendent cleaning activities will be eliminated by a \$2.2 million cut in services.

Bronx Sanitation also accounted for 3,277 lot cleaning FY'94.

But the Department of Sanitation recognized that it alone was not responsible for lot cleanings throughout the borough. The "Don't Dump on The Bronx" campaign, created by Ferrer in March of 1994, accounted for over 200 lot and street cleanings. As a borough wide anti-litter effort involving hundreds of community organizations, the grass-roots initiative involved borough businesses and city agencies in hand-on participation to address quality of life issues in The Bronx.

"We would like to take all the credit for the increase in ratings over the past two years, but we know that we received plenty of help for the Community Boards and the Borough President's office," said Punzi. "I would like to predict that for FY'95 the rating will increase again but with the additional budget cuts this agency is facing, street cleaning programs will be affected."

2. EXHIBIT

Borough President Fernando Ferrer and Housing Commissioner Deborah Wright unveiled a dramatic photography exhibit of the housing revival taking place in The Bronx by Housing Preservation and Development photographer Lawrence Racioppo. Entitled "HPD Rebuilds The Bronx: A Work in Progress", the collection depicts stages of the construction and renovation in diverse Bronx Neighborhoods with dramatic before-and-after refurbishment, new construction and portraits of masons, steel workers, carpenters, electricians and roofers tying in the human element. Exhibition of large black-and-white and color photos is sponsored by Borough President Ferrer, HPD and the Bronx Museum of the Arts. Exhibition can be seen at the Satellite Gallery, Bronx County Building, room 301 from 9:00 A.M. to 5:00 P.M.

3. GRAFFITI

The City Council's public safety committee holds a hearing tomorrow on proposals to require property owners to remove graffiti from their buildings or be subject to a fine. One measure, sponsored by Councilwoman Una Clarke, D-Brooklyn, would give owners 30 days to remove the graffiti after the issuance of a warning. A second proposal introduced at the request of Bronx Borough President Fernando Ferrer, would require graffiti to be erased no more than 10 days after a warning.

4. BRONX WEEK AT THE CIRCUS

The 125th Anniversary addition of Ringling Bros. Barnum & Bailey circus is extending a special tribute to The Bronx borough patrons of the greatest show on earth with a very special outreach program. During the week of April 3-7, 1995 special discount coupons of \$8.50 will be issued to encourage and help all the families of The Bronx to experience this show. More information will be forthcoming.

Annette announced that Borough President Ferrer along with NYNEX, Hostos Community College Center for the Arts & Culture and the Bronx Council on the Arts presents an African American Heritage month beginning 2/27 at 8:00 P.M. at Hostos Community College.

Annette announced that Community Board renewal applications have not been received from Mark Shkreli; Scott Roveto; Joseph Reda; Ralph Lanzilli and James Gisondi.

A discussion took place on the licensing of grocery stores to sell beer and wine and why they don't all come before the board for a vote. Harriet stated that if a place does not notify us that they are apply for or renewing their license we have no way of knowing when it expires. She stated that once we can get into the SLA computer we can keep a log and know when licenses are due to expire.

G. Sanitation

Leslie McHenry asked about the dumping program.

Thomas explained that Sanitation has a program where neighbors can report a dumper and make money.
