

SERVICE UPDATE

Low- and High-Pressure Boilers: Inspection and Report Deadlines Extended

This year's inspection cycle for low- and high-pressure boiler has been extended to December 31, 2012. In addition, reports for these inspections are now due no later than February 15, 2013.

Annual inspections are required for low- and high-pressure boilers as per 2008 NYC Administrative Code §28-303.2.

For more information regarding inspection deadlines, please read the Rules of the City of New York [§103-01](#) and [§103-05](#), available on the Rules page in the Code & Reference section at nyc.gov/buildings.
