

Checklist: Sidewalk Café On-going Project Work

Project Checklists contain project-specific details as they apply to the scope of work of the project to provide compliance with the NYC Construction Codes and other regulations.

☑ Construction Drawings

Make sure work conforms to approved drawings. However, minor variations are allowed – see minor variations memo. Certain changes may require an amendment.

Verify if changes need an amendment.

☑ Site Safety

The Contractor **must** maintain their work site in a safe condition during construction and **must** minimize the risk of accidents and fire.

☑ Special Inspections

Make sure to coordinate work schedule with the Special Inspection Agency to ensure these are completed as required by stage of work.

☑ Department Inspections

Make sure to request or self-certify the required inspections, by stage of completion, and obtain sign-off for the completed work.

☑ Self-Certification

If self-certifying the required inspections, make sure to submit a Notice of Intent to Self-certify, which may be audited.
