

# SERVICE UPDATE

## Gas Authorizations Not Available in BIS

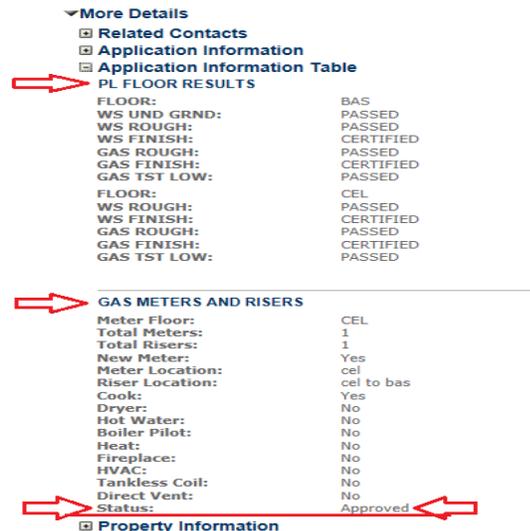

Effective April 22, 2016 gas authorizations will no longer be available for review in Building Information Systems (BIS). To access gas authorizations, applicants/users must refer to Inspection Ready.

To view gas authorizations in Inspection Ready:

- 1) Navigate to the record and click on 'More Details'
- 2) Expand the **Application Information Table** which will display additional information.

- 3) The displayed information includes the **floor results, gas meters and risers, and gas approvals.**

For questions or for further information related to accessing gas authorizations in Inspection Ready, please contact [CustomerServiceIR@buildings.nyc.gov](mailto:CustomerServiceIR@buildings.nyc.gov).
