2014 Construction Codes: Limited Alteration Application Changes

The Limited Alteration Application/Permit Renewal Unit is leading a seminar regarding changes to the LAA form and filing process under the 2014 NYC Construction Codes, which go into effect on December 31, 2014. This seminar will focus on 2014 NYC Administrative Code §28-101.5.

This seminar will be held on Friday, December 12, 10am to 2pm, at 280 Broadway in Manhattan, in the third-floor plan examination conference room.

Seminar Topics

This seminar will focus on NYC Administrative Code §28-101.5, including:

- LAA filings with an unlimited estimated cost cap; and
- Newly formatted work types for fire suppression, plumbing and oil-fired appliance work.

Seminar Registration

This session is offered to all registered architects, professional engineers, licensees, filing representatives, contractors and administrative assistants.

To attend, email your request to LAA-PR@buildings.nyc.gov, and provide your full name, phone number, company name and the number of representatives who will be attending.

You may also sign up at the LAA/Permit Renewal Unit customer service window on the fifth floor at 280 Broadway in Manhattan. The customer service window is open 9am to 4pm, Monday through Friday.
