Re: Building Code Conversion

Effective July 1, 1987, all documents pertaining to enforcement (Notices of Violations, E.C.B. violations, summonses and criminal complaints) must contain the new Building Code section in place of the old. This may be done by reference to the annexed conversion table.

If there are any questions, call John Cox of the General Counsel's Office at (212) 312-8130. Thank you.
