

Damages Awards and Civil Penalties

2016 January - June

In 2016, the Commission more than doubled the average amount of damages and civil penalties ordered in the previous year. There were 26 cases in which there was a monetary resolution. The monetary resolutions averaged \$16,100 per case in 2016, down from \$21,806 per case in 2015. In total, the Commission ordered the collection of \$418,605 in combined fines and compensatory damages in discrimination cases in 2016.
