

## **DEPARTMENT OF CONSUMER AFFAIRS**

### **Notice of Adoption of Rule**

Notice of Adoption of a new Rule regarding the use of helpers by general vendors with disabilities.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 2203 of the New York City Charter and Sections 20-104 and 20-471 of Title 20 of the Administrative Code of the City of New York, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department promulgates and adopts Section 2-318 of Title 6 of the Rules of the City of New York, Chapter 2, subchapter F, allowing general vendors with disabilities that impair their ability to operate a general vending business to use helpers as long as they obtain authorization from the Department.

The rule was proposed and published on March 7, 2016. The required public hearing was held on April 6, 2016.

### **Statement of Basis and Purpose of Rule**

Section 20-453 of Chapter 2 of Title 20 of the New York City Administrative Code provides that it “shall be unlawful for any individual to act as a general vendor without having first obtained a license.” A number of individuals licensed as general vendors by the Department of Consumer Affairs have physical or mental disabilities that render them unable to operate their businesses without the assistance of a helper. Many of these licensees are veterans.

The rule clarifies that Section 20-453’s license requirement will not apply to helpers used by licensed general vendors with disabilities that impair their ability to operate a general vending business as long as the licensee obtains authorization from the Department to use a helper and adheres to requirements with regard to the use of helpers.

The rule:

- defines the types of disabilities that would make general vendors eligible to use helpers;
- establishes procedures for requesting authorization to use helpers;
- provides for a special designation on the general vendor’s license indicating that he or she is authorized to use helpers;
- provides for certain restrictions on the activities of helpers;
- requires the general vendor to be present at all times;
- requires the general vendor to maintain records regarding the use of his or her helpers;
- makes the general vendor responsible for ensuring that helpers comply with all applicable laws and regulations; and

- establishes procedures for the revocation of authorization in the event the general vendor or his or her helpers fail to comply with applicable law.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

### **Rule**

Subchapter AA of chapter 2 of title 6 of the Rules of the City of New York is amended by adding a new section 2-318 to read as follows:

#### **§ 2-318 General Vendor Helpers**

(a) Definitions. As used in this chapter, the following terms have the following meanings:

“Disability” means a physical or mental impairment that substantially limits one or more major life activities or major bodily functions and that permanently or temporarily impairs an individual’s ability to operate a general vending business.

“Major bodily functions” include functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine and reproductive functions.

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working.

(b) Request for Authorization.

(1) Subject to the restrictions set forth in this rule, a general vendor holding a current General Vendor’s license with a disability may use individuals as helpers in the operation of his or her general vending business, even if such individuals do not have general vending licenses.

(2) A general vendor must request authorization to use helpers on forms prescribed by the Department, including a certification form to be completed by an appropriate licensed health care professional who has examined the general vendor. The licensed health care professional must: (i) attest to the existence of a disability; (ii) describe with specificity how the disability impairs the vendor’s ability to operate a general vending business; and (iii) state whether the disability is permanent or temporary, and in the case of a temporary disability, the likely duration of the disability. The Department may require applicants to submit supplemental medical reports or certifications to verify the continued existence of a temporary disability.

(3) The Department shall maintain the confidentiality of all medical records and information submitted by the general vendor seeking authorization to use helpers unless required to be produced pursuant to law.

(4) The Department shall make a determination as soon as is practicable after receiving all requested documents and information. The Department shall then inform the party seeking authorization in writing whether the request has been approved or denied.

(5) If the request is approved, the Department shall provide the vendor with an amended license, with an endorsement on the front or back of the license that the licensee is authorized to use helpers. The endorsement shall specify the period during which the licensee is authorized to use helpers.

(6) The licensee shall surrender his or her current license to the Department upon receipt of the amended license.

(c) Use of Helpers.

(1) The licensee must be physically present at the vending display at all times that his or her general vending business is being operated. Helpers may not engage in the operation of the general vending business unless the licensee is physically present. In the event that the licensee is temporarily absent from the vending display and the helper remains at the vending display, the vending display must be covered so as to alert potential purchasers that the display is closed for business. The presence of a helper at an uncovered vending display, without a licensee present, shall constitute unlicensed vending activity.

(2) The licensee may use the services of only one helper at any given time. Use of more than one helper at a time shall constitute unlicensed vending activity.

(3) The licensee shall maintain a chronological log of his or her use of helpers, on a form prescribed by the Department, which shall indicate the date and time of all helper use, and the name, address and phone number of each helper used. The log shall be available for inspection at all times during which the licensee's general vending business is operating, and may be inspected by an inspector of the Department or by a police officer.

(4) The licensee will be responsible for ensuring that helpers comply with all applicable laws, rules and regulations at all times that the helpers are assisting with the general vending business, and the licensee shall be deemed liable for any breach caused by any act or omission of a helper.

(5) The licensee will be responsible for ensuring that helpers are in possession of photo identification at all times such helper is assisting with the general vending business.

(6) The Department may revoke authorization to use helpers, or revoke authorization for a particular helper, in the event that either the licensee or any of his or her helpers has failed to comply with applicable laws, rules or regulations, or if the Department determines that the licensee is not, or does not continue to be, a general vendor with a disability.

(7) The Department will provide the licensee with notice and a reasonable opportunity to cure non-compliance with applicable laws, rules or regulations prior to revoking authorization to use helpers or a particular helper.

(8) The Department will not revoke authorization to use helpers without giving the licensee notice and an opportunity to appear and rebut any claim that the licensee (i) has violated applicable laws, rules or regulations, and has failed to cure any violation, or (ii) is not, or does not continue to be, a general vendor with a disability.

(d) Termination of Authorization for the Use of Helpers

(1) For disabilities deemed permanent by a licensed health care professional pursuant to subdivision (b)(2)(iii) of this section, authorizations to use helpers will terminate on the license expiration date of the then active license. Upon renewal of the license, the renewal license will carry the helper endorsement or other indication of authorization, which will terminate on the license expiration date of the renewal license.

(2) For disabilities deemed temporary by a licensed health care professional pursuant to subdivision (b)(2)(iii) of this section, authorizations to use helpers will terminate at the end of the endorsement period indicated on the license or on the license expiration date, whichever is sooner. If a temporary authorization is needed beyond the license expiration date, the renewal license will carry the temporary helper endorsement, which will terminate at the end of the endorsement period or on the expiration date of the renewal license, whichever is sooner.

## DEPARTMENT OF CONSUMER AFFAIRS

### Notice of Adoption of Rule

Notice of adoption of a new Rule regarding the transfer of a general vending license upon the vendor's death or disability.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 2203 of the New York City Charter and Sections 20-104 and 20-471 of Title 20 of the Administrative Code of the City of New York, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department promulgates and adopts Section 2-317 of Subchapter AA of Chapter 2 of Title 6 of the Rules of the City of New York, setting forth the standards for the general transfer of a general vending license to the spouse, children or guardian of minor children of the general vendor upon the vendor's death or disability.

The rule was proposed and published on October 2, 2015. The required public hearing was held on November 3, 2015.

### Statement of Basis and Purpose of Rule

Section 20-464(d) of Subchapter 27 of Chapter 2 of Title 20 of the New York City Administrative Code prohibits a general vendor from selling, lending, leasing or transferring his or her general vendor license or interest in the license unless authorized by the Commissioner of the Department of Consumer Affairs. Currently, the laws and rules applicable to general vendors do not specify the circumstances under which the Commissioner may authorize the transfer of a vending license. Section 35-a of Article 4 of Chapter 20 of the New York State General Business Law requires the transfer of a specialized vending license held by a disabled veteran to the spouse, children or guardian of surviving minor children of the vendor in certain circumstances upon the death or disability of the licensee. The new rule, to be codified under a new section 2-317 of subchapter AA of chapter 2 of title 6 of the Rules of the City of New York, provides that the transfer of general vending licenses is subject to the same set of standards as the transfer of specialized vending licenses, which currently apply only to disabled veterans.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this Department, unless otherwise specified or unless the context clearly indicates otherwise.

### Rule

Subchapter AA of chapter 2 of title 6 of the Rules of the City of New York is amended by adding a new section 2-317 to read as follows:

**§2-317 Transfer of General Vending Licenses.**

(a) Upon the death of a licensed general vendor, the Department shall transfer the license to the surviving spouse, if any, of the general vendor if the spouse informs the Department he or she desires to use the license. If there is no surviving spouse or if the surviving spouse elects not to use the license, the Department shall transfer the license to the guardian of a surviving minor child or children of the general vendor, provided the guardian intends to use the license for the support of the minor child or children. The Department shall issue a general vending license to the applicable party in his or her name upon submission to the Department of proof of the conditions upon which the transfer is based. The license shall revert to the Department for reassignment upon the death of the surviving spouse to whom the license has been transferred, or when:

(1) the surviving spouse to whom the license has been transferred remarries;

(2) the youngest minor child of the deceased licensed general vendor reaches the age of eighteen;  
or

(3) the surviving spouse to whom the license has been transferred, or the guardian of the minor child or children to whom the license has been transferred, elects not to use the license to vend in the city of New York or abandons the use of the license.

Temporary periods when the surviving spouse or guardian do not vend shall not cause the license to revert to the Department in the absence of other evidence of an intent to abandon the use of the license; however, a period of six months or more in which the holder of the license does not vend shall create a rebuttable presumption that the spouse or guardian has abandoned the use of the license.

In the event that the surviving spouse to whom the license has been transferred, or the guardian of a surviving minor child or children to whom the license has been transferred, dies before the youngest minor child reaches the age of eighteen, any new guardian must submit a request to the Department for transfer of the license. Any license so transferred shall revert to the Department by operation of law when the youngest minor child reaches the age of eighteen.

(b) If a licensed general vendor becomes totally and permanently disabled, he or she may transfer the license to his or her spouse or, if the licensee has no spouse, to an adult child if the child assumes the duty to support the licensee. The Department shall issue a general vending license to the applicable party in his or her name upon submission to the Department of proof of the conditions upon which such transfer is based. The license shall revert to Department when:

(1) the general vendor who held the license immediately before the transfer dies;

(2) the spouse to whom the license has been transferred dies or divorces the general vendor who held the license immediately before the transfer; or

(3) the child to whom the license has been transferred dies or renounces the obligation to support the general vendor who held the license immediately before the transfer.

(c) For purposes of this section, "spouse" includes a domestic partner.

(d) Except as provided for in this section, no general vending license, and no interest in any general vending license, may be sold, lent, leased or transferred.

(iii) any other organization or association which does not exist for purposes of pecuniary profit or financial gain and no part of the assets, income or profit of which is distributable to its members, directors, or officers.

**Street fair, block party, or festival (hereafter, "street fair").** For purposes of this regulation, a "street fair" is any event in a public space for which all permits required by law in order for the event to be held have been obtained from the appropriate New York City agencies.

(b) *Exemptions.* (1) Any non-profit association holding a street fair, and any person who operates as a general vendor at such street fair, is exempted from the provisions of §20-465(g) of the Administrative Code.

(2) At any street fair sponsored by a non-profit association, a person who sells or offers to sell goods or services (other than food) is not required to comply with the provisions of §§20-453, 20-454, 20-461 and 20-465(a), (b), (d), (e), (g), (k), (i) of the New York City Administrative Code provided the non-profit association sponsoring the street fair has certified to the Department that it believes the person meets the following requirements:

(ii) The person who sells or offers to sell goods or services has a location during the fair on the street or sidewalk in front of a store normally maintained by that person.

(3) The sponsoring association must submit to the Department the certification, which shall include the name and address of each person qualifying for the exemption

(i) prior to the opening of the street fair; or

(ii) within four days of the close of the fair, provided the Department has been notified that the list of names and addresses will be made available to any police officer or other authorized City officers for inspection at the fair.

### **§2-306 Temporary Move Notice.**

When a general vendor has received notice to temporarily move from any location where exigent circumstances exist, such general vendor shall immediately stop all vending business and within one minute begin to and as quickly as possible move his or her goods, vehicle, pushcart or stand from the entire area in which the exigent circumstances exist as determined and stated by a police officer or other authorized person giving such notice to move. A general vendor shall not return to the area of the exigent circumstance while such condition continues to exist. In the absence of a statement to the contrary by an authorized person, it shall be presumed that the exigent circumstances will continue to exist in such area for a period of two hours from the time notice to move was given to the vendor.

### **§2-307 Practices.**

(a) No general vendor shall make any misrepresentations concerning merchandise offered for sale. General vendors shall comply with all applicable provisions of the Consumer Protection Law (Title 20, Chapter 5, Subchapter 1 of the Administrative Code of The City of New York) and regulations promulgated under that law.

(b) All items sold or offered for sale by general vendors shall have conspicuously displayed, at the point of offering for sale, the total selling price exclusive of tax by means

(1) of a stamp, tag or label attached to the item or

(2) a sign at the point of display which indicates the item to which the price refers, provided that this information is plainly visible at the point of display for sale of the items so indicated.

(c) Each general vendor shall offer a consumer a serially numbered receipt for any purchase. The receipt must include:

(1) the date of the purchase;

(2) the total amount of money and tax paid for the purchase;

(3) a description of the item purchased; and

(4) the license number of the vendor;

(5) a statement that complaints can be made to the Department of Consumer Affairs, (Insert the Department's current address and telephone number).

(d) Each vendor shall retain a duplicate copy of each receipt for the day which shall be produced for inspection upon request by police or other New York City personnel. The receipts shall be presented for review to the Department by the general vendor upon request, and the previous two years' receipts shall be produced when applying for renewal of a license.

#### **§2-308 Return of Removed Property.**

An unlicensed general vendor who has had any goods, or any vehicle, pushcart or stand removed under the provisions of §§20-468(c) and 20-465(k) of the New York City Administrative Code may serve notice of a request for the return of such property after a judicial determination of the charge of vending without a license has been made irrespective of the result of such determination. Unless forfeiture proceedings are to be instituted pursuant to §20-469 of the New York City Administrative Code, or unless the judicial proceeding has terminated in favor of the vendor, the owner or other person lawfully entitled to the possession of such vehicle, pushcart, stand or goods which have been removed under the provisions of §20-465(k) may be charged with reasonable costs for removal and storage payable prior to the release of such goods, vehicle, pushcart or stand.

#### **§2-309 Identification Cards.**

The Department of Consumer Affairs shall issue to each general vendor an identification card containing the vendor's name and address and a photograph of the vendor. The vendor must conspicuously wear the card whenever he or she is engaged in the licensed activity.

#### **§2-310 Streets Restricted to General Vendors and Food Vendors.**

No general vendor or food vendor may vend on any of the streets specified below [§2-314] at the times specified. If a general vendor or food vendor peddles on any street

listed below at the times listed below, any member of the New York City Police Department may remove his or her goods, vehicle or stand and charge a removal fee for return of the items. Goods and vehicles are subject to immediate removal without further warning if a general vendor or food vendor peddles on the specified streets in violation of these regulations.

General vending continues to be prohibited at all times on the streets and in the zoning districts specified in §20-465(g) of the Administrative Code, except that general vending is permitted in the following C4 zoning district:

18th Ave. 64th to 65th St.  
65th St. 17th Ave. to 18th Ave.

However, only on the streets and at the times specified below is a general vendor subject to having his goods immediately removed.

No general vendor or food vendor shall vend on any street or portion of street designated below during the days of the week and times of day that are specified. This prohibition also applies to an area of each cross-street that crosses each designated street; this area is thirty feet of street and sidewalk in each direction along the cross-street, measured from the building lines closest to each designated street at each cross-street corner.

#### **§2-311 Pushcart Permit Exemptions.**

Vendors who are granted a Permit for Use of Pushcart by Union-Columbia Board of Trade, Inc., a corporation organized under section 1410 of the New York Not-For-Profit Corporation Law, shall be exempt from the provisions of §§20-453 and 20-466 of the Administrative Code. Such exemption shall apply only to vending activity conducted on Union Street between Hicks Street and Columbia Street in Kings County, pursuant to the permit agreement entered into by the City of New York Office for Economic Development, the Department of Housing Preservation and Development, and Union-Columbia Board of Trade, Inc., dated as of June 1982.

#### **§2-312 Licensing of General Vendor Distributors.**

The annual fee for a general vendor distributor's license shall be two hundred dollars.

#### **§2-313 Guidelines for Temporary General Vendors Licenses in Connection with Street Fairs.**

(a) In connection with any street fair, as defined in §2-305, any person who will be participating as a general vendor at such fair may obtain a temporary license by completing an application form supplied by the Department of Consumer Affairs and paying a fee of \$10.

(b) (1) In lieu of personal application by each general vendor in accordance with §2-313(a), a list of the names and addresses of all general vendors who will participate in the fair may be supplied to the Department prior to the date of the fair by the association

sponsoring the fair accompanied by a certified check in the amount of \$10 per vendor or by a bond in the amount of the total fees for the number of temporary general vendors' licenses necessary to license all general vendors for such fair.

(2) Upon receiving the list and payment or bond, the Department will transmit to the sponsoring association temporary licenses corresponding to the names and addresses provided, and temporary general vendor application forms.

(3) The completed application forms must be returned to the Department within one week following the termination of the fair.

(4) In the event that a bond is supplied, payment of the amount owed for general vendors' licenses shall be made within one week following the fair, and the bond will thereupon be released.

(c) Each temporary vendor's license issued in connection with a fair is valid for one month's time, and it shall not be necessary for a vendor to reapply for a license to sell at another fair during the one month period.

#### §2-314 List of Street Restrictions.

*Note:* The streets have been arranged by borough in roughly geographical order. The Manhattan streets are listed in groups of east-west streets, moving north, and north-south streets, moving west. For the other three boroughs, each list begins with the southeasternmost streets, proceeding in a northwesterly direction.

*Note:* The authority to adopt and amend the restrictions set forth in §2-314 (as well as §2-310) was transferred by Local Law Number 14 of 1995 from the Department of Consumer Affairs to the Street Vendor Review Panel. Although amendments to these restrictions have been adopted by the Street Vendor Review Panel since 1995, they continue to be codified as part of the rules of the Department of Consumer Affairs, which regulates other aspects of general vending. This provides the public with easy access to rules relating to general vending.

(b) Applications for and the reissuance of specialized vending licenses issued prior to March 1, 2003 shall be governed by the following procedures:

(1) All persons who hold current specialized vending licenses that were issued pursuant to the provisions of §35-a of the General Business Law prior to March 1, 2003, shall apply for the reissuance of such specialized vending licenses with new priority ranks that shall be accorded and assigned in accordance with subdivision (c) of this section.

(2) Applications for the reissuance of such currently valid specialized vending licenses issued prior to March 1, 2003, shall be made so they are received by the department during the period commencing on August 23, 2004 and ending no later than 5 p.m. on September 22, 2004.

(3) Such applications shall include the following information and documentation:

(i) The applicant's name, home address and home telephone number; and

(ii) Whether the applicant is seeking a midtown- or a city-specialized vending license as his or her first choice. An applicant who fails to indicate whether he or she seeks a midtown or a city specialized vending license shall be deemed to have elected a midtown-specialized vending license; and

(iii) Proof that the applicant holds a currently valid general vendor's license and a currently valid specialized vending license issued prior to March 1, 2003; and

(iv) In the case of a licensee who exchanged a midtown-specialized vending license for a city-specialized vending license, or vice versa, and who has continuously held a specialized vending license since the date on which the first such license was issued, a description of the specialized vending license with such earlier date of issuance.

(c) Each eligible applicant for the reissuance of specialized vending licenses issued before March 1, 2003, shall be reissued such license with a new priority rank, which shall be determined and assigned in accordance with this subdivision.

(1) All eligible applications for the reissuance of such specialized vending licenses that are received on or before 5 p.m. of September 22, 2004 shall be sequentially assigned a priority rank based on the earlier of (A) the date of issuance of the applicant's currently valid specialized vending license that was issued prior to March 1, 2003, or, (B) in the case of a licensee who exchanged, prior to March 1, 2003, a midtown-specialized vending license for a city-specialized vending license, or vice versa, and who has continuously held a specialized vending license since the date on which the first such license was issued, the date of issuance of such first license. Number one shall be the rank assigned to the applicant whose specialized vending license has the earliest date of issuance, determined in accordance with this paragraph, and who is therefore entitled to the highest priority rank.

(2) Any specialized vending license issued prior to March 1, 2003, shall be deemed to have been surrendered as of 5 p.m. on September 22, 2004 unless such application

for the reissuance of such license is received by the Department on or before such date and time.

(3) If more than one qualified applicant holds a specialized vending license with the same date of issuance determined in accordance with paragraph one of this subdivision, all such applicants shall be ranked sequentially in reverse order according to the number of their general vendor's licenses, with the highest priority ranking being assigned to the applicant within such group who holds the lowest numbered general vendor's license.

(d) Midtown specialized vending licenses shall first be issued to the holders of specialized vending licenses who have filed applications in accordance with subdivision (b) of this section and who hold currently valid midtown-specialized vendor's licenses issued prior to March 1, 2003. Such licenses shall be issued with a priority rank assigned to such midtown specialized vending licenses, which shall be in the order in which such applicants are ranked pursuant to subdivision (c) of this section.

(1) If not all of the 60 holders of midtown-specialized vending licenses that are issued and outstanding as of March 1, 2003, have filed applications that request the reissuance of, or are deemed to request the reissuance of, a midtown-specialized vending license in accordance with such subdivision (b), the remaining midtown-specialized vending licenses shall be issued to eligible applicants who request the issuance of, or who are deemed to request the issuance of midtown-specialized vending licenses and who have been assigned the highest priority ranks established in accordance with such subdivision (c).

(2) Any qualified applicants for the issuance of midtown-specialized vending licenses remaining after the maximum of 60 authorized for issuance pursuant to §35-a of the General Business Law as of March 5, 2004, have been issued shall be included on the waiting list maintained pursuant to subdivision (e) of this section for midtown-specialized vending licenses that become available at any time.

(e) The Department shall maintain a waiting list of applicants for midtown-specialized vending licenses that become available.

(1) The applicants placed on the waiting list for midtown-specialized vending licenses pursuant to paragraph two of subdivision (d) of this section shall be ranked in the order of the priority rank assigned pursuant to subdivision (c) of this section.

(2) Any other city-specialized vending licensee may request the Department to add his or her name to such waiting list by filing an application with the Department. The names of applicants shall be entered on such waiting list in the order that such applications are received, except that the names of applicants whose applications are received on the same day shall be included on such waiting list according to the priority rank that has been assigned to such applicants for their specialized vending license in accordance with paragraph four of subdivision (i) or paragraph four of subdivision (j), as applicable.

(3) Any midtown-specialized vending licenses that become available after March 5, 2004, shall be offered by the Commissioner to persons included on such waiting list in the order in which they are ranked on such list. Any applicant on such list who fails to notify the Commissioner within the time provided in the Commissioner's offer that such applicant requests that such license be issued to him or her shall be deemed to have refused such license and to have surrendered his or her place on such waiting list as of

5 p.m. on the last date by which the applicant was required to so notify the Commissioner.

(f) No more than 105 midtown-specialized vending licenses shall be issued at any single time on or after January 31, 2007. Such licenses shall be issued according to the following schedule:

(1) A maximum of sixty such licenses on or after March 5, 2004.

(2) A maximum of an additional 15 such licenses commencing June 7, 2004.

(3) A maximum of an additional ten such licenses in each of the succeeding three years commencing on January 31 of 2005, 2006 and 2007.

(4) Only holders of city-specialized vending licenses that are in effect at the time such additional midtown-specialized vending license become available are eligible to be issued such additional midtown-specialized vending licenses.

(g) The Department shall publish a notice in the City Record requesting applications for midtown-specialized vending licenses whenever the Department ascertains that a midtown-specialized vending license is available for issuance and there are no applicants on the waiting list maintained by the Department in accordance with subdivision (e).

(1) Applicants shall have 14 days from the date of publication of such notice to submit an application containing the information and documentation specified in such notice.

(2) Applicants responding to the notice for the issuance of available midtown-specialized vending licenses shall include the following information and documentation:

(i) the applicant's name, home address and home telephone number;

(ii) proof that the applicant holds a currently valid general vendor's license; and

(iii) proof that the applicant holds a currently valid city-specialized vending license issued after August 23, 2004.

(3) Midtown-specialized vending licenses shall be issued sequentially to qualified applicants in the order of the priority ranks assigned to their currently held valid specialized vending licenses until the number of midtown-specialized vending licenses that are then available as specified in such notice have been issued.

(4) Any applicant who is issued such additional midtown-specialized vending license shall be required to surrender his or her city-specialized vending license upon the issuance of the midtown-specialized vending license, and such midtown-specialized vending license shall be assigned the same priority rank as had been assigned to the surrendered city-specialized vending license.

(h) Any applicant who, pursuant to subdivision (b) of this section, makes a timely application for the issuance of a midtown-specialized vending license but who is not issued such license shall be reissued such city-specialized vending license with the priority rank as provided in subdivision (c) of this section.

(i) Applicants who apply on or after August 23, 2004 for the issuance of city specialized vending licenses, shall provide the following information in, and attach the following documentation to, the application for such license:

(1) The applicant's name, home address and home telephone number; and

(2) Proof that the applicant:

(i) has been honorably discharged from the armed forces of the United States;

(ii) has sustained a service-related physical disability that is verified in a letter to the veteran/applicant on original letterhead with an original signature from the United States Department of Veterans Affairs or the United States Veterans Administration; and

(iii) holds a currently valid general vendor's license.

(3) Notwithstanding subparagraph (ii) of paragraph two of this subdivision, an applicant whose currently valid general vendor's license designates such applicant as a disabled veteran is not required to submit with his or her application for a city-specialized vending license a letter from the United States Department of Veterans Affairs or the United States Veterans Administration verifying that such veteran/applicant has sustained a service-related physical disability.

(4) Such applications for a specialized vending license shall be assigned priority ranks in the order in which the applications are received, provided, however, that if more than one application for a city specialized vending license is received on the same day, the priority rank for such licenses shall be assigned first in reverse order of the applicants' general vendor's license numbers, with the applicant holding the lowest numbered general vendor's license being assigned the highest priority rank among the applicants within such group.

(j)(1) All persons who hold current specialized vending licenses that were issued pursuant to the provisions of §35-a of the General Business Law after February 28, 2003, and before August 23, 2004, shall apply for the reissuance of such specialized vending licenses with a new priority rank that shall be accorded and assigned in accordance with paragraph four of this subdivision.

(2) Such applications shall include the following information and documentation:

(i) The applicant's name, home address and home telephone number; and

(ii) Proof that the applicant holds a currently valid general vendor's license and a currently valid specialized vending license issued after February 28, 2003.

(3) Individuals holding city-specialized vending licenses issued after February 28, 2003, and before August 23, 2004 who do not apply by September 22, 2004 shall be deemed to have surrendered such license as of 5 p.m. on September 22, 2004 unless such application for the reissuance of such license is received by the Department on or before such date and time.
