

# FREE ACCOUNTING CLINIC FOR SMALL BUSINESSES:

## NYC'S COMMUTER BENEFITS LAW

NYC's Commuter Benefits Law took effect on January 1, 2016. Under the law, most private and nonprofit employers with 20 or more full-time employees working in NYC must offer a commuter benefits program.

At this special clinic, you can:

- Speak with DCA Compliance Associates about NYC's Commuter Benefits Law.
- Get information about other services provided by the Departments of Consumer Affairs (DCA) and Small Business Services (SBS).

This clinic is presented by DCA and the New York State Society of Certified Public Accountants (NYSSCPAs).
