2024-2025**

PASSPort is a web-based system maintained by the City of New York to manage procurement. To submit a proposal to the upcoming RFI, all vendors must create an account within the PASSPort system. Please visit www.nyc.gov/passport create an account or to log into the system to view this RFP. If you have any technical questions or concerns about PASSPort, please submit an inquiry to the *MOCS Service Desk*.

To respond to this RFI and all other Human/Client Service RFPs, organizations must have (i) a PASSPort account, and (ii) have an Approved HHS Prequalification Application in PASSPort. Proposals and Prequalification applications will ONLY be accepted through PASSPort. If you do not have a PASSPort account or Approved PASSPort HHS Accelerator PQL Application, please visit nyc.gov/passport to get started.

- Please allow sufficient time to complete and submit proposals, which includes entering information, uploading documents, and entering log-in credentials.
- Providers are responsible for the timely electronic submission of proposals.

Step 1: PASSPort Account Creation

To submit the application, schools must first be approved for a PASSPort Account. This [guide](#) provides detailed instructions on how organizations can request a new account. If your organization already has a PASSPort account, please move on to next step. If you have any questions, please contact the [MOCS Service Desk](#).

Step 2: Pre-Qualification

Schools must be pre-qualified in PASSPort. If your school is already pre-qualified, please move on to Step 3. This [guide](#) provides detailed instructions on how organizations can complete the prequalification application.

If you have any questions, please contact the [MOCS Service Desk](#).

The application will be available from March 1st to May 15th. The application will be accessible through Rounds that will be available on a weekly basis. Each Round will close on Mondays at 4:00 pm and the next Round will reopen immediately between 3/1/2024 - 5/15/2024.
