

Reaching Out at Circle of Sisters

It was smiling faces, and warm embraces when The DOC Recruitment Team participated in the Circle of Sisters Expo at the Jacob Javits Center.

As the largest expo in New York City dedicated to celebrating women of color, more than 40,000 attendees were greeted by the DOC's team of uniformed staff.

"We were thrilled to be part of such a landmark event. For over a decade, the Circle of Sisters Expo has celebrated women and the entrepreneurial spirit of New Yorkers. For the first time ever, the DOC was able to be part of that experience. With the upcoming Correction Officer Exam less than a month away, the Expo was a great way for us to not only recruit, but also educate potential candidates about the many career options that are currently available at the NYC DOC," said Dina Simon, Acting First Deputy Commissioner.
