ADDENDUM # 10

To: Potential Proposers
From: Judi Rich Soehren *JRS*
Agency Chief Contracting Officer
Date: November 3, 2011

PLEASE READ THIS ADDENDUM CAREFULLY AS THERE HAVE BEEN CHANGES AND CLARIFICATIONS TO THE NEW YORK/NEW YORK III CONGREGATE RFP:

I. CHANGE TO THE RFP

POPULATION OPTION III – CHRONICALLY HOMELESS SINGLE ADULTS WHOSE SUBSTANCE USE IS A PRIMARY BARRIER TO INDEPENDENT LIVING.

POPULATION OPTION V – CHRONICALLY HOMELESS FAMILIES, OR FAMILIES AT SERIOUS RISK OF BECOMING CHRONICALLY HOMELESS, IN WHICH THE HEAD OF THE HOUSEHOLD HAS A SUBSTANCE USE DISORDER, A DISABLING MEDICAL CONDITION, OR HIV/AIDS.

THE REQUEST FOR PROPOSALS (RFP) FOR OPTIONS III and V IS NOW CLOSED.

DOHMH has now awarded contracts for all of the units to be funded under the RFP in **Population Options III & V**: Chronically Homeless single adults whose substance use is a primary barrier to independent living and Chronically homeless families, or families at serious risk of becoming chronically homeless, in which the head of the household has a substance use disorder, a disabling medical condition, or HIV/AIDS.

Therefore, DOHMH is no longer accepting proposals for units within Population Options III and V. DOHMH will continue to accept proposals for Populations 1 and II only until contracts for all units in each of these Population Options have been awarded.

II. UPDATE ON AVAILABLE UNITS

The approximate percentage of remaining, unawarded units by Population Option are as follows:

	Available:
Population I – Chronically homeless single adults with a serious mental illness (1750 units total)	20%
Population II – Chronically homeless families, or families at serious risk of becoming chronically homeless, in which the head of the household has a serious mental illness (400 units total)	67%
