Keep Cool

• Use an air conditioner when it’s hot
• If you do not have an air conditioner:
  • Go to a cool place like a family or friend’s home, library, shopping mall, or NYC Cooling Center
  • Use a fan ONLY when the windows are open
• Drink lots of water
• Check in with family, friends, and neighbors often

For more information or to find a cooling center:
• Call 311 or TTY: 212-504-4115
• Go to www.nyc.gov/oem
• Call 911 for immediate medical help
