# NYC Health Map

so New Yorkers can easily  
find you and your services!

The NYC Health Map is an online list of location-based health services, searchable by address, ZIP code or borough. It helps New Yorkers find experienced and knowledgeable health care providers who offer timely HIV prevention and treatment services.

**Email** [HIVStatusNeutral@health.nyc.gov](mailto:HIVStatusNeutral@health.nyc.gov)  
to find out how to be added to the list  
or to update your current listing.

To find out if you are already listed on the NYC Health Map, visit [nyc.gov](https://nyc.gov) and search for **Health Map**.

To find a list of immediate antiretroviral treatment (iART) providers, see the services menu and click on **Sexual Health Services**, then click on **HIV Treatment** and filter the search by “Start Treatment Same Day/Next Day.”

To find a list of PrEP and emergency PEP providers, see the services menu and click on **Sexual Health Services**.
