

# NYC Provider Oversight Annual Monitoring Results by Service Area, 2012 to 2015

N=84\* in 2012 and 2013, N=89 in 2014, N=91 in 2015

Fail Marginal Pass Good

\*Number of agencies monitored in total, and number monitored in each area, is less than the total number of agencies. This is because not all agencies provide all service types, and not all agencies had been providing services long enough to be audited in that year.
