

New York City Health Care Coalition (NYCHCC)
Leadership Council Meeting

May 10, 2016

Primary Care **Emergency** **Preparedness** Network

This publication was supported by Cooperative Agreement Number 5U90TP000546-04 from the Centers for Disease Control and Prevention and/or Assistant Secretary for Preparedness and Response. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the Centers for Disease Control and Prevention and/or the Assistant Secretary for Preparedness and Response.

PCEPN

PCEPN is a coalition of primary care providers within New York City dedicated to health care emergency preparedness and response.

The coalition is led by the **Community Health Care Association of New York State**, in close partnership with the New York City Department of Health and Mental Hygiene and New York City Emergency Management.

Community Health Care Association of NYS (CHCANYS)

- As the Primary Care Association (PCA) for NY, CHCANYS organizes, educates, and advocates on behalf of more than 60 Federally Qualified Health Centers across New York State.
- Community, migrant and homeless health centers provide high quality, affordable and accessible primary and preventive health care for more than 1.7 million New Yorkers at over 600 sites.

Primary Care Emergency Preparedness Network

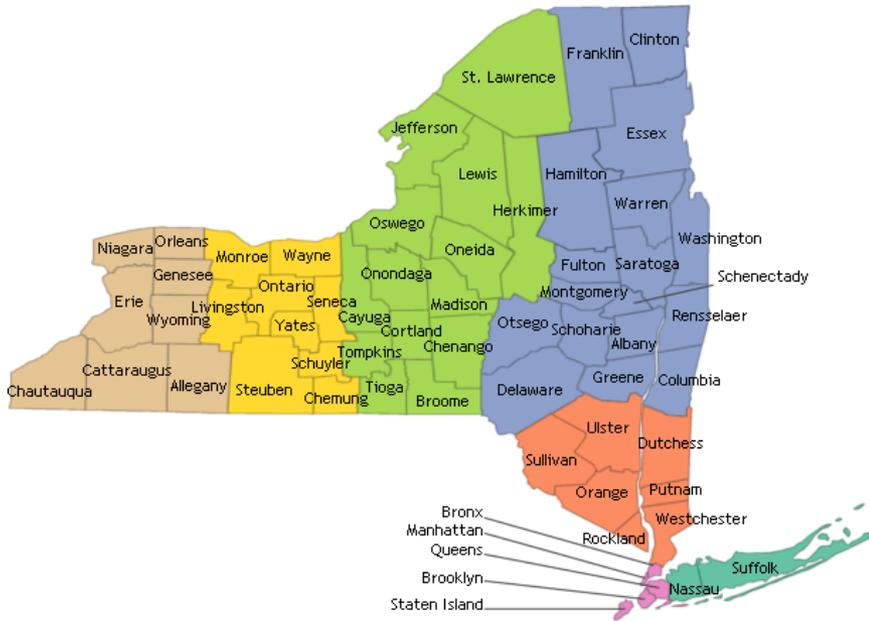

CHCANYS Emergency Management Program

- The CHCANYS Emergency Management (EM) Program provides New York's community health centers with training opportunities, technical assistance, and resources to increase their ability to prepare for, respond to, and recover from an emergency or disaster.

EM Program in NYS and NYC

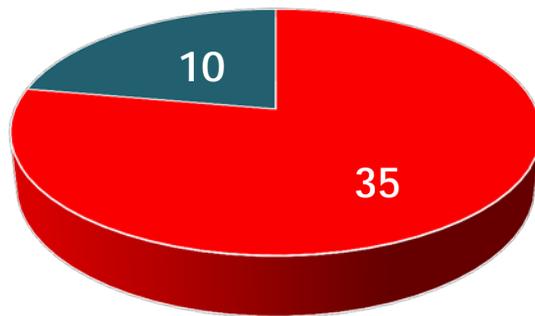

Primary Care Emergency Preparedness Network

PCEPN Membership Overview

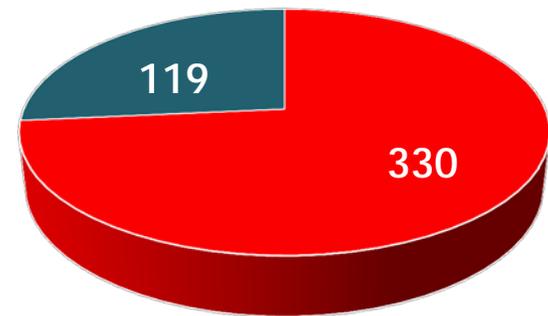

- PCEPN currently has 45 member networks comprised of more than 400 sites located across the 5 boroughs of NYC.

Network Members

■ FQHCs ■ Non-FQHC

Individual Sites

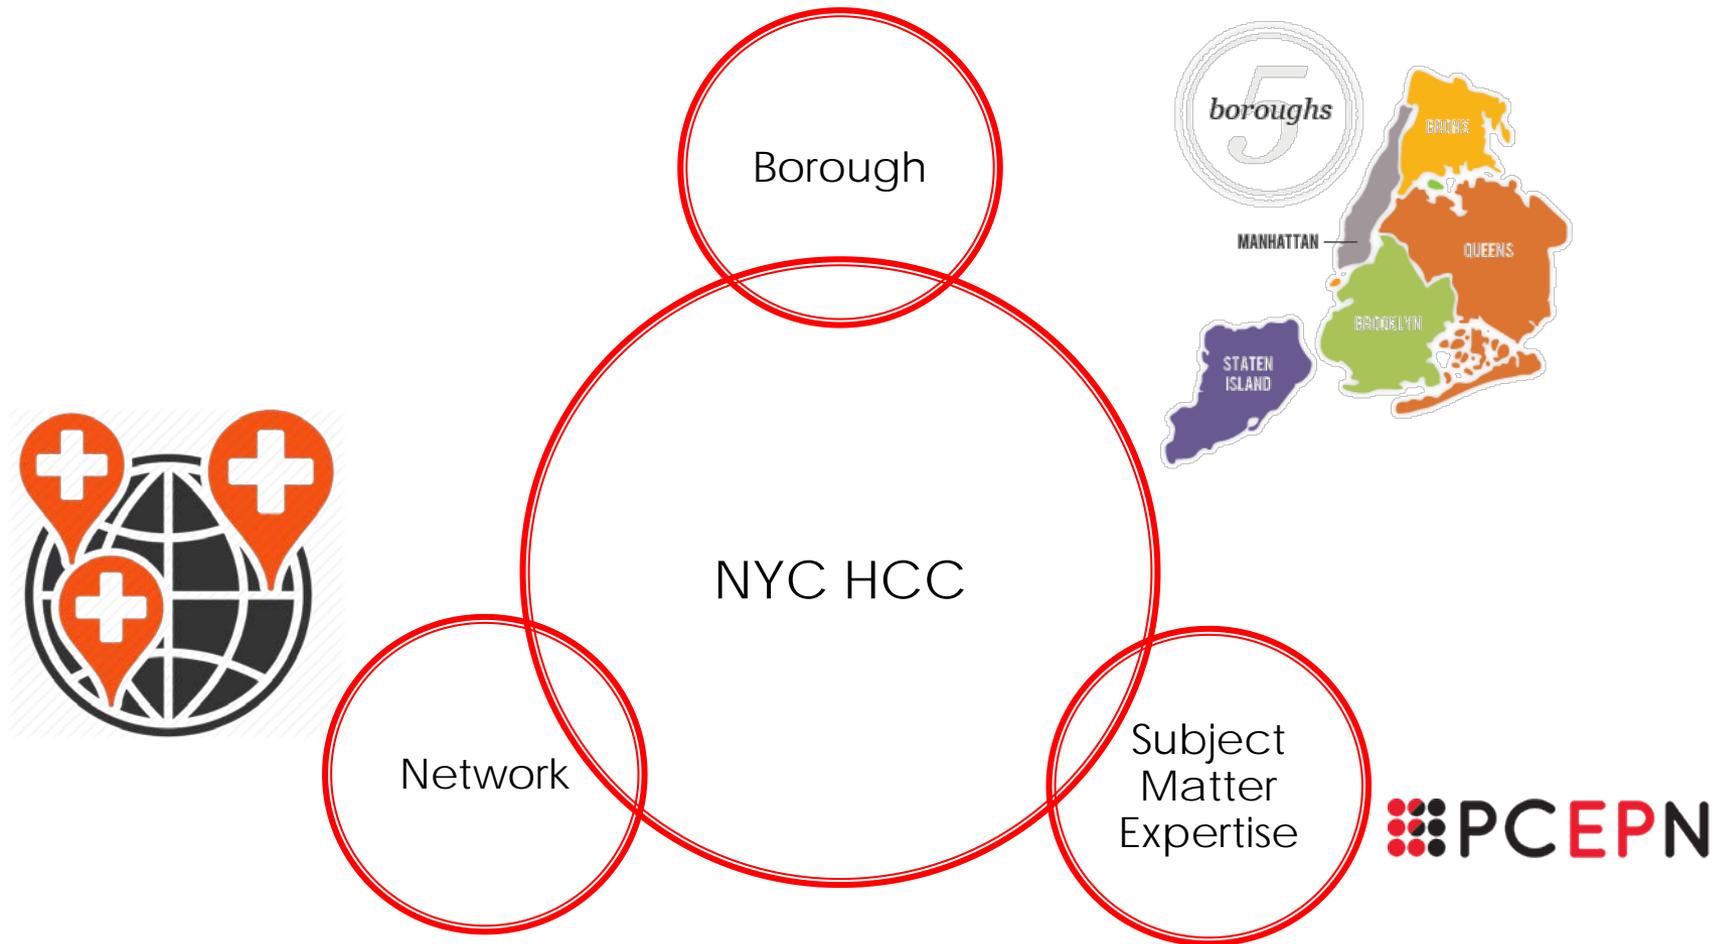

■ FQHCs ■ Non-FQHC

PCEPN BP4 Accomplishments

- PPE Training Series for Primary Care
 - Partnered with Northwell Health
 - 5 sessions conducted (2 NYC, 2 Bronx and 1 Brooklyn) in April 2016
 - 50+ attended, including representatives from FQHCs, other primary care, network coalitions (Gotham, Northwell) and MRC volunteers.

PCEPN Upcoming Activities

- Respiratory Protection Program (RPP) and Infectious Disease Preparedness:

- ✓ RPP Webinar (WebEx) - 12 May 2016 - 2-3:30 pm

This webinar will address aspects of establishing a Respiratory Protection Program in a primary care setting.

- ✓ RPP Workshop (in person) - 25 May 2016 – 9-12 pm

This workshop is a hands-on experience that enables participants to have a step by step analysis of the Fit Testing process. Participants will go through the testing, as well as assist others in their testing.

PCEPN Upcoming Activities

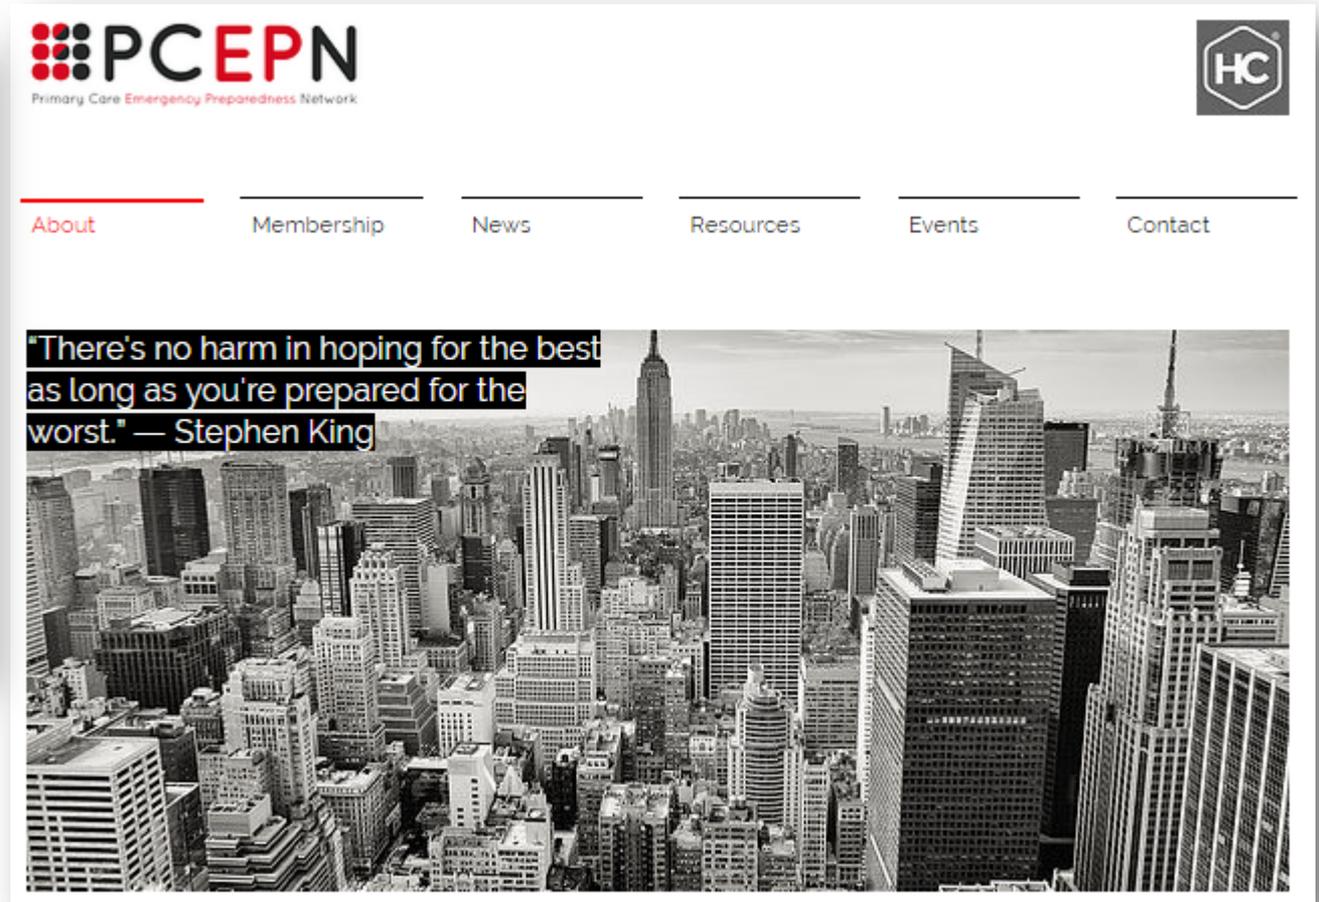

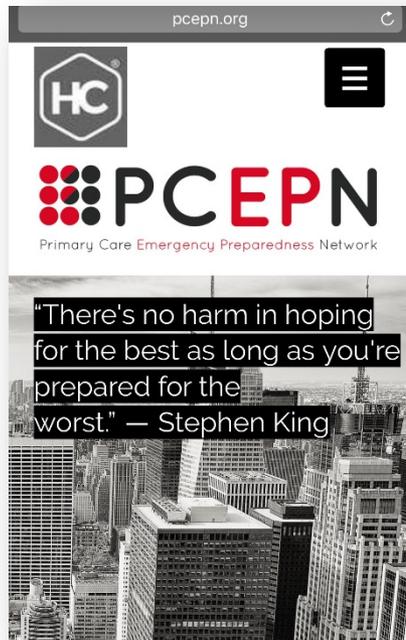

- Tabletop Exercise (TTX)

- Date: 19 May 2016
- Time: 8:30 am - 12:00 pm
- Scenario:

Simulated biological threat scenario around screening and isolation protocols and business continuity . TTX is based on protocols and templates provided to the primary care sector.
