Disclaimer: Although the NYC Department of Health and Mental Hygiene has determined that the listed training providers are qualified to provide training, based on review of the course curricula and contents submitted to the Department, no one in the Department has taken any of these courses, and has no knowledge or information about the providers' methods of training or the adequacy of teaching provided. Moreover, neither the Department nor any other agency of the City of New York is responsible for any injury to any person or damages to any property or damages otherwise sustained that may be associated with any training providers. We welcome any information from members of the public describing their experience taking training.
