\* Notes.

1. PRAMS Question #11: When you got pregnant with your new baby, were you trying to get pregnant?

Answers: No Yes

Question #12: When you got pregnant with your new baby, were you or your husband or partner doing anything to keep from getting pregnant?

Answers: No Yes

Women who answered 'No' to both Question #11 and Question #12 were counted as not using contraception at time of conception and not trying to become pregnant.

2. Totals for each category may not equal overall total due to missing data or rounding.

3. Data are weighted and are based on responses of 1,525 NYC women giving birth in 2006.
