RE: Government-To-Government Procurement Prevention of Chronic Diseases and Promotion of Healthful Behavior PIN - 06LL26801R0X00

The Department of Health and Mental Hygiene (DOHMH) intends to enter into a Government-To-Government contract with the CENTERS FOR DISEASE CONTROL AND PREVENTION for services provided by an epidemiologist who will assist in providing support for a broad range of public health activities including the prevention and control of chronic diseases as well as advice on matters relating to the preservation and improvement of public health.

The term of this contract would be from October 1, 2005 - September 30, 2007 and the maximum reimbursable amount would be \$312,202.00. Anyone who is interested in being considered for future solicitations for these or similar services should so indicate no later than December 23, 2005. For any future solicitations please notify Joe Slade at NYC Department of Health and Mental Hygiene, Division of Epidemiology, 125 Worth Street, Rm 315, New York, New York 10013.
