

TCNY/2020

EVERY NEIGHBORHOOD, EVERY NEW YORKER

EVERYONE'S HEALTH COUNTS

In New York City health outcomes differ dramatically between communities — poor health outcomes cluster in places where resources and opportunities are limited.

TELL US ABOUT THE HEALTH PRIORITIES FOR YOUR NEIGHBORHOOD!

Join the Health Department's Community Consultation to discuss how we can work together to make every community a healthy community.

Light refreshments will be available. Free TCNY tote bags and water bottles will be available to participants.
