How To Participate

- Gather food scraps, food-soiled paper, and plants in any container or bag.
 - Keep container handy wherever most convenient.
 - Optional: Store scraps in freezer to prevent odors and pests.

- No plastic bags. If you use a plastic grocery bag to collect kitchen scraps, empty the scraps into the brown bin, and then throw away the bag.
- Ok to include paper or certified compostable bags.

Holidays: If your organics collection day falls on a holiday, set out organics **after 4pm on that holiday** for collection the next day. Hold other recycling for the following week.

Collection Tips

How do I line my outdoor brown bin?

You have several options:

- Don't use a liner. Reduce waste!
- Absorb moisture by adding newspaper, pizza boxes, or leaves to your brown bin. This helps prevent odors and flies.
- Use brown paper bags. These are compostable.
- Use certified compostable bags.
 Look for this logo. Purchase online or ask your local stores.

 Least preferred option: clear plastic liner (they're not compostable). No other plastic bags permitted.

Clean bins regularly. The kitchen container is dishwasher safe.

What if I have a lot of yard waste?

If you have yard waste that won't fit in the brown bin, place it in a paper lawn & leaf bag, an unlined container, or a clear plastic bag. Bundle brush and small branches with twine.

Don't use black bags. Yard waste set out in black bags is collected as garbage.

Brooklyn and Queens: no wood debris. You must notify Parks Department for disposal due to Asian Long-Horned Beetle quarantine; call 311 or visit on.nyc.gov/wood-debris.

How can I get another kitchen container?

DSNY does not replace, redeliver, or sell kitchen containers. You can purchase your own; or use any container like a bowl or yogurt tub to gather food scraps.

What if my brown bin is missing or damaged?

Submit the Bin Replacement Request Form at **nyc.gov/organics**. Supplies are limited.

Organics Collection Schedule

Set out organic waste once a week on your regular recycling day.

COLLECTION AREA See maps at nyc.gov/organics.	on your recycling day
Staten Island: Castleton Corners, Port Richmond, West Brighton	week of May 11, 2015
Queens: Middle Village, Maspeth	week of May 18, 2015
Bronx: Riverdale, North Riverdale, Fieldston	week of June 1, 2015
Brooklyn: Greenpoint, North Williamsburg	week of June 15, 2015

What if collection already started but I don't have a brown bin?

- Bins will be delivered to most homes in each area before collection begins. Some homes may receive bins after the first collection day.
- Make sure you live in the collection area: check maps at nyc.gov/organics or check your collection schedule at nyc.gov/dsny.
- Apartment buildings with 10 or more units and buildings along commercial strips are not automatically enrolled in the program.
 Apply online to receive organics collection at nyc.gov/organics.
- If you are in the collection area and it has been over a week since collection began in your neighborhood, call 311 or use the Bin Replacement Request Form at nyc.gov/organics to report that your bin was never delivered.

Recycle this organic waste

Food Scraps fruit, vegetables, meat, bones, dairy, prepared foods

Food-Soiled Paper napkins, towels, plates, coffee filters, tea bags

Yard Waste plants, garden trimmings, leaves, grass

Metal, Glass, Plastic, Cartons, or Clean Paper & Cardboard Recycle these items separately from organic waste.

plastic bags or wrappers, pet waste, medical waste, diapers, hygiene products

Organics recycling is now in your neighborhood.

Sanitation will collect your household's organic waste once a week on your regular recycling day.

Organic waste includes:

- food scraps
- food-soiled paper
- yard waste

This waste will be turned into compost, a natural soil amendment.
