

GENERAL INFORMATION

1. If a corporation ceases to be subject to tax under Subchapter 2 of Chapter 6 of Title 11 of the Administrative Code or ceases to be subject to tax because of a change in classification, the tax accounting period ends on the date on which the cessation occurs and is the corporation's taxable year for that period. The corporation must file a final return or apply for an extension of time to file a final return on or before the 15th day after the date that the corporation ceases to be subject to the General Corporation Tax.

A corporation ceases to be subject to the General Corporation Tax under Subchapter 2 of Chapter 6 of Title 11 of the Administrative Code if on the date of cessation it does not:

- a) do business in the City in a corporate or organized form or capacity,
- b) use assets in the City in a corporate or organized form or capacity,
- c) own or lease real or personal property in the City in a corporate or organized form or capacity,
- d) maintain an office in the City, and
- e) plan to recommence doing business in the City.

A corporation ceases to be subject to the General Corporation Tax due to a change of classification if it becomes subject to tax under another Chapter or Subchapter of Title 11 of the Administrative Code, such as the Banking Corporation Tax.

2. The filing of this application on or before the due date automatically provides an extension of six months after such due date for the filing of your completed tax return, provided the tax is properly estimated and the application is

accompanied by a remittance for the amount shown on line 5. (If line 4 exceeds line 3, no remittance is required.)

3. A taxpayer that has received an automatic six-month extension by filing Form NYC-6F may request up to two additional three-month extensions by filing Form NYC-6.1 (Application for Additional Extension). A separate Form NYC-6.1 must be filed for each additional three-month extension requested. The Department of Finance may grant one or both additional three-month extensions if good cause exists.

4. A properly estimated tax must be either:

- a) not less than 90% of the tax as finally determined;

- or -

- b) not less than the tax shown on the return for the preceding taxable year of 12 months.

In completing Form NYC-6F, any credits to be claimed on Forms NYC-9.5 and NYC-9.6 (Claims for Credit) that are to be taken into account in computing the estimated tax should not be reflected on line 1b, but should be included on line 4 along with payments on account of estimated tax. However, any credit to be claimed on Form NYC-9.7 for Unincorporated Business Tax paid that is to be taken into account in computing the estimated tax should be reflected on line 1b and not included on line 4.

A taxpayer failing to meet all requirements will not receive the extension. If the tax return for which the extension was requested is filed after the original due date, the return will be treated as late and interest and applicable penalties will be assessed.

COMBINED FILERS

A member of a combined group that ceases to be subject to the General Corporation Tax need not file a separate final return within 15 days of the date of cessation if the combined group will file a combined return for the period including the date of the cessation.

Otherwise, the member ceasing to be subject to tax must file a separate final return within the allotted time period or obtain an extension of time to file the return.

If a combined group is no longer subject to the General Corporation Tax because a member ceases to be subject to the tax, the combined group must file a final return within 15 days of the date of cessation.

Use the Employer Identification Number of the "parent" (the group member paying the combined tax) when completing page 1.
