Get your money sooner and with less hassle! With direct deposit there's no waiting for your mail or time-wasting trips to the bank.	Direct deposit is free, but many vendors are charged a \$3.50 check fee.	Direct deposit is more secure and less subject to fraud than paper checks.	If you have a contract with NYC valued at \$25,000 or more, Local Law 43 requires you to enroll in direct deposit.	By eliminating stamps, envelopes, and paper checks you are going green!
