INSTRUCTIONS

The filing of this application on or before the due date automatically provides an extension of six months after such due date for the filing of your completed tax return, provided the tax is properly estimated and the application is accompanied by a remittance for the amount shown on line 3. (If line 2 exceeds line 1b, no remittance is required.) A properly estimated tax must be either:

- a) not less than 90% of the tax as finally determined, or
- b) not less than the tax for the preceding taxable year of twelve months.

If the unincorporated business had \$1,000,000 or more in unincorporated business taxable income allocated to the City for any taxable year during the three years immediately preceding the taxable year for this return, a properly estimated tax is not less than 90% of the tax as it is finally determined. Clause (b) above is not applicable.

If you do not meet these requirements, your extension will not be valid and you will have to pay interest and penalties from the original

due date of your return. Even if the extension is valid, interest and applicable penalties will be imposed on any balance of tax due not paid with this application from the original due date to the date of payment.

Except for taxpayers outside the United States, no additional extension beyond the six months granted by this extension will be granted.
