Persons or organizations who construct or rehabilitate rental housing that is reserved for low-income occupancy and located within the five boroughs of New York City may apply.

In this competitive funding round, HPD reserves the right to allocate all, a portion of, or none of its Tax Credit authority, depending on the availability of credit authority, the ability of applicants to meet HPD's threshold eligibility requirements, and the feasibility and competitiveness of applications received.

Set-Aside – In this funding round, HPD will set aside 30% of its allocation authority for new construction or substantial rehabilitation of permanent supportive housing projects with HPD-approved on-site services that are developed by not-for-profit sponsors where: (a) 100% of units are affordable to persons with incomes at or below 60% of area median income, and (b) 60% of units are set-aside for homeless tenants referred by New York City agencies.
