Resilient Edgemere Community Planning Initiative

Community Open House

Create Neighborhood Resources Hubs

Promote the development of new businesses and community facilities at neighborhood hubs.

- Partner with local organizations to connect local merchants and entrepreneurs to business support services.
- Promote new retail, businesses, and community facilities that take advantage of Edgemere's waterfront location and natural ecology.

Improve existing facilities and amenities

Activate vacant storefronts and make needed repairs to existing public facilities.

- Support local organizations to attract and retain community-serving retail to the neighborhood

Connect jobseekers to career resources and occupational trainings
