

SECTION 3 EMPLOYMENT REFERRAL AGENCIES

The following organizations are funded by the U.S. Department of Housing And Urban Development (HUD) under the YouthBuild program. Youthbuild shows young people how to build new homes for people in need, and new lives for themselves. Each year, youths who participate in Youthbuild receive a combination of classroom academic and job skills development as well as on-site training in a construction trade. Successful participants are certified by the National Center for Construction Education and Research (NCCER). HUD considers all YouthBuild participants to be Section 3 residents in training and employment opportunities.

HPD has entered into agreements with the following YouthBuild providers:
