WE ARE HIRING

CASE MANAGERS
OVER 150 POSITIONS

\$41,483/YR + \$3,799/YR (Differential Bonus)
+ Benefits!

About the role:

- Conduct mandated home visits to clients designated for monthly visit and inspecting home environment to assess and determine services needed. Home visits are mandated based on two days per week and any other time on an emergency basis. Perform individual and family assessments of clients' living environments. Assess the client's needs for specific benefits and services, including but not limited linkage, referral, and escort to clinical services, and housing search activities.

If you have:

- A baccalaureate degree from an accredited college or university.

We'd love to see:

- Experience working with individuals and families facing homelessness.
- Experience with crisis intervention.
- The ability to work independently with minimal supervision.
- Bilingual fluency in Spanish or French Creole.

The benefits we offer:

Pension, Cash Overtime Opportunity
Health, Dental, Vision, Prescription
Drug Coverage, Paid Holidays, and
more!
