NEW YORK/NEW YORK POPULATIONS

		PLACEMENT AGENCY	
NY/NY I & II	Homeless single adults with a Serious Mental illness or who have a Serious mental Illness with a co-occurring substance use disorder.	DHS-Singles	
NY/NY III	Pop A	Chronically homeless single adults who suffer from a serious mental illness or who are diagnosed as mentally ill and chemically addicted (MICA).	HRA
	Pop B	Single adults who are presently living in NYS-operated psychiatric centers or State-operated transitional residences and who could live independently in the community if provided with supportive housing and who would be at risk of street or sheltered homelessness if discharged without supportive housing.	SOMH
	Pop C	Young adults, ages 18-24, who have a serious mental illness being treated in NYS licensed residential treatment facilities, State psychiatric facilities or leaving or having recently left foster care and who could live independently in the community if provided with supportive housing and who would be at risk of street or sheltered homelessness if discharged without supportive housing.	SOMH
	Pop D	Chronically homeless families, or families at serious risk of becoming chronically homeless, in which the head of the household suffers from a serious mental illness or a MICA disorder.	HRA
	Pop E	Chronically homeless single adults who have a substance abuse disorder that is a primary barrier to independent living and who also have a disabling clinical condition (i.e., a medical or mental health condition that further impairs their ability to live independently). Effective April 13, 2009, there were two changes in eligibility criteria: Individuals who have been homeless 6 of the past 12 months are considered eligible; the second change was that clients are no longer required to have a disabling clinical condition.	HRA
	Pop F	Homeless single adults who have completed a course of treatment or are successfully participating in treatment for a substance abuse disorder and are at risk of street homelessness or sheltered homelessness and who need transitional supportive housing (that may include half-way houses) to sustain sobriety and achieve independent living.	HRA
	Pop G	Chronically homeless families or families at serious risk of becoming chronically homeless, in which the head of household suffers from a substance abuse disorder, a disabling medical condition or HIV/AIDS.	HRA
	Pop H	Chronically homeless single adults who are persons living with HIV/AIDS (who are clients of HASA or who are clients with symptomatic HIV who are receiving cash assistance from the City) and who suffer from a co-occurring serious and persistent mental illness, a substance abuse disorder, or a MICA disorder. Effective January 22, 2013 there was a change in the homeless eligibility criteria to include HASA clients considered at serious risk of homelessness who lack the resources and support networks needed to obtain access to housing.	HRA/HASA
	Pop I	Young adults (aged 25 years or younger) leaving or having recently left foster care or who had been in foster care for more than a year after their 16 th birthday and who are at risk of street homelessness or sheltered homelessness.	ACS
