

# CAPITAL PROJECTS DIVISION

## Special Projects Group

Special Projects Unit has been created to manage critical and complex projects. Special Projects has currently a task of managing Bond initiated projects named Bond B. Special Projects is managing \$485M of hard cost and \$100M of soft cost program, which includes 25 projects under 33 developments of exterior envelope work for 319 buildings throughout all 5 boroughs. This includes design, procurement, construction, and closeout of all projects by 2017.
