The Project H.O.M.E. Program (Home Ownership Made Easy) in which tenants residing in Public Housing have the opportunity to purchase single family homes acquired and operated by the Authority from the FHA commenced on 7/9/80. Since then all houses which became available, either through move out or rehabilitation have been sold. In addition, some tenants in residence have been buying the houses they occupy. We are continuing to sell houses as they become available. In addition, a number of FHA Homes have been sold by auction. These dwelling units (FHA Repossessed Houses I-X) are included in the Annual Contributions Contract with HUD. Between 7/9/80 and 12/31/92 - 314 houses have been sold.

The following lists the number of acquired buildings for each group which have been subsequently sold through Project H.O.M.E. and by Auction.

The Multi Family Home Ownership Program (MHOP) will provide the residents of Public Housing and other eligible families the opportunity to purchase an apartment in a limited equity cooperative at an affordable price based on a percentage of each family's income. The Housing Authority will work with the residents of these developments on how to form and manage a cooperative corporation. Upon formation of the cooperatives the Housing Authority will sell the development to the resident shareholders.

Development Costs for the eleven developments on these pages (pp 49-50) were funded by utilizing the Program Reservations for Federal Projects NY36P005314, 317, 318, 321 and 322. In addition, NYCHA may be eligible to apply for an operating subsidy to be provided to each cooperative for a period of five years after the development is purchased from the Housing Authority by the residents, with a possible five year renewal.

Nine of these eleven developments (all except for Samuel I & II) were part of the NYC Department of Housing and Preservation Department's (HPD) Special Initiative Program (SIP), for which the Housing Authority serves as Construction Manager. Samuel (Federal) I & II were part of the Housing Authority's Samuel (City) Part VI Project.

In June 1992 the Authority acquired from the City of New York, four MHOP sites; Franklin Avenue I, Prospect Avenue, Samuel (Federal) I and Southern Boulevard. It is expected that Franklin Avenue II & III, Jennings Street, Samuel (Federal) II, and West Farms Square will be acquired in 1993. Madison Avenue and Samuel (Federal) III are scheduled to begin construction this year.

It was not possible to calculate exact "physical" figures for all the MHOP developments so some figures are a close estimate. Development Cost breakdowns for all non-acquired developments are an estimate based on 100% of the H.U.D. Total Development Cost Guidelines.

EDP NUMBERS

The EDP numbers that appear in this booklet are the Development EDP number for each project. The current Operating EDP number at a project may be different from the Development EDP number listed here.

NUMBER OF APARTMENTS

A separate entry for "Current Apartments has been added to the Project Data Booklet with this edition. All other figures are "as built" meaning that they do not reflect any alterations made since buildings were turned over to Management for occupancy.

NUMBER OF RENTAL ROOMS

Rental room count per apartment is equal to 2-1/2 plus the number of bedrooms, except that in the Federally-aided program a zero bedroom apartment is equal to 3 rental rooms. Rental room count are as-built figures.

POPULATION
