This plan provides the same comprehensive benefits of the standard GHI HMO program, and includes coverage for deductibles, coinsurance, and services not covered by Medicare Parts A and B, but not to exceed the standard coverage provided through GHI HMO's program. To be covered in full, Medicare-eligibles must use GHI HMO's participating physicians. If a non-participating physician is used, only Medicare coverage is applicable and treatment is subject to deductibles, copayments and exclusions.

PRESCRIPTION DRUG COVERAGE

For the first \$400 in eligible prescription drug expenses incurred in each calendar year, the plan pays nothing---this is known as the yearly deductible (this \$400 counts towards true-out-of-pocket costs). The member pays 25% of eligible prescription drug expenses between \$400 and \$3,700 up to true-out-of-pocket costs of \$825 in this phase of coverage. The member then pays 40% Brand/51% Generic of eligible prescription drug expenses up to true-out-of-pocket costs of \$3,725 in this phase of coverage. After the member has reached in total, \$4,950 towards true out-of-pocket costs, the member pays the greater of 5% or \$3.30 for Generics/\$8.25 for Brand.
