

The City of New York

Financial Information Services Agency

Office of Payroll Administration

Roy Mogilanski, Executive Director
Neil Matthew, Deputy Executive Director

TO: ALL CITY, CUNY COMMUNITY COLLEGES, AND HOUSING AUTHORITY EMPLOYEES
FROM: THE CITY OF NEW YORK OFFICE OF PAYROLL ADMINISTRATION
SUBJECT: **W-2 2016 INFORMATION**

The following information is prepared to help employees better understand their W-2 forms.

A. Annual Salary vs. Amount Actually Received

Wages and other compensation, as shown on the W-2, reflect monies actually paid to an employee during the calendar year, NOT ANNUAL SALARY. The amount reported on the W-2 form may include one or more of the following: supplemental payments, retroactive arrears, non-pensionable amounts, and longevity payments.

B. Pay Statements

Each pay period employees receive pay statements containing the details of their pay: gross earnings, withheld taxes, health, TDA, pension deductions, etc., and year-to-date totals. Pay Statements are available to active employees on NYCAPS Employee Self Service or www.NYC.gov/ess. They are also a means to assist in verifying the W-2 Wage and Tax Statement.

C. "Year-to-Date" Pay Statements vs. W-2 Amounts

Pay Statements include information on year-to-date earnings. These amounts are limited to earnings from only one agency. They do not include earnings from other agencies.

D. Singular W-2 Form

The City of New York combines all earnings for one social security number onto one W-2 form (i.e., Department of Education, CUNY, Parks, Third Party Sick Pay are combined). Only NYC Housing Authority and NYC Municipal Water Finance Authority employees will receive a separate W-2 form.

E. Date of Service vs. Date of Check

The W-2 form includes all checks dated calendar year 2016. Any checks for arrear payments received in 2016 for service performed during a prior year will be included in the 2016 W-2 form.

F. Social Security/Medicare

Social Security/Medicare regulations stipulate that 2016 FICA deductions be made at the rate of (SS) 6.2% of \$118,500.00 and (Medicare) 1.45% of all earnings. For Medicare wages in excess of \$200,000.00, the rate is 2.35%. This yields a maximum SS deduction of \$7,347.00. If, in error, more than \$7,347.00 was deducted during the year,

a refund payment will be issued by the NYC Office of Payroll Administration (OPA).

G. Cost of Employer-Sponsored Health Coverage

As part of the Patient Protection and Affordable Care Act of 2010, employers are required to report to each employee the aggregate (employer and employee/retiree) cost of employer-sponsored group health plans. The amount appears in Box 12 labeled as "DD". The amount in Box 12 labeled as "DD" is for informational purposes only and as per the W-2 instructions is not taxable.

H. Tax Deferred Annuity (TDA)(401(k), 403(b), 457 and ROTH)

Your retirement system, insurance company, or Deferred Compensation Plan (DCP) will provide you with a statement of your contributions. The W-2 form provides for TDA contributions to appear as a separate item in Box 12 labeled as "AA," "D," "E," "EE" or "G." Box 1 "Wages,..." on the W-2 form will be reduced by this amount for "D," "E" and "G." Please contact your TDA provider for further information.

I. Pension IRC414H

Pension members' W-2's will show a gross wage reduced by the amount of their pension contributions. This contribution, shown in Box 14 and labeled as "IRC414H," is NOT subject to Federal income tax. However, it is subject to FICA, State and City taxes. Please contact your pension system for information. The Internal Revenue Service (IRS) defines a NYC employee as belonging to a pension plan if the employee has a plan available to join regardless of whether the employee opts to join. Therefore, "retirement plan" in box 13 is checked.

The Dependent Care Assistance Program (DeCAP) is limited from a minimum of \$500 to a maximum of \$5,000. Health insurance plan deductions for basic and/or optional riders are deducted from one's payroll statement. All of

the previous contributions are treated on a pre-tax basis. The contributions will reduce Gross wages, TDA, FICA wages and taxes. However, they are subject to State and City taxes. Employees who have a City motor vehicle assigned to them and drive it to and from home will have an amount added to their Gross and FICA Wages. Employees who have access to free parking spaces in areas in which equivalent parking costs more than \$255/month will have an amount added to their Gross and FICA Wages.
