### Violation Categories

Name	Length of Time for Response
<b>DOB - ECB</b>	
Class 1	Immediate corrective action is required and certification of correction provided to the Department.
Class 2	Corrective action is required within 40 days and certification of correction provided to the Department.
Class 3	Corrective action is required within 40 days and certification of correction provided to the Department.
<b>DOB</b>	
All violations	Violation is issued by order of Commissioner. The amount of time a violator has to respond to a violation varies by violation.
<b>HPD</b>	
Class C	An owner has 24 hours to correct a "C" violation and five days to certify repair to remove the violation. Heat and hot water violations must be corrected immediately. Lead-based paint and window guard violations have a 21-day correction period.
Class B	Owner has 30 days to correct a "B" violation and two weeks to certify repair to remove the violation.
Class A	Owner has 90 days to correct an "A" violation and two weeks to certify repair to remove the violation.
<b>FDNY</b>	
Violation Orders (VOs)	Violation Orders are issued by order of the Commissioner. The amount of time a violator has to respond to the VO varies by violation.
Notice of Violations (NOVs)	Notice of Violations (NOVs) are self-certified compliance infractions that must be responded to in greater than 30 days.
<b>DOHMH</b>	
All violations	DOHMH conducts an initial inspection and if the property fails, owners must correct violations within 5 days.
