Resolution for adoption scheduling April 25, 2012 for a public hearing.

NOTICE

On Wednesday, April 25, 2012, at 10:00 a.m., in the National Museum of the American Indian at the historic Alexander Hamilton U.S. Custom House located at One Bowling Green, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by New York University for a zoning map amendment and zoning text amendments as well as a special permit for a large-scale general development project (LSGD). The zoning map amendment would rezone the two blocks between LaGuardia Place, Mercer Street, West Houston Street, and West Third Street from R7-2 and R7-2/C1-5 to C1-7. It would also rezone several blocks between Washington Square East / University Place, Mercer Street, West Fourth Street, and the northern boundary of the existing R6-2 zoning district near East Eighth Street from R7-2 to R7-2/C1-5. The zoning text amendments would allow applications for LSGD special permits within the former Washington Square Southeast Urban Renewal Area to be submitted without meeting normally-applicable ownership requirements and allow public parks in the former Washington Square Southeast Urban Renewal Area to be treated as a street for all zoning purposes. The applicant is also

requesting a special permit under ZR Section 74-74 to waive certain bulk requirements for their LSGD. Also being requested by the applicant under a concurrent application is a change to the City Map that would eliminate, discontinue and close (“demap”) four areas within the mapped rights-of-way of Mercer Street, LaGuardia Place, West 3rd Street and West 4th Street, and the subsequent disposition of portions of those demapped areas along with easements in other portions to the applicant, and the mapping of portions of two of the demapped areas as a public park. The proposed actions would facilitate a proposal by the applicant to expand their facilities at its academic core with two academic buildings, a mixed-use building containing academic, dormitory, hotel and conference space, faculty housing and retail uses, and a building containing academic and dormitory uses (the applicant anticipates making space available within this building to the New York City School Construction Authority for the provision of a public school). The proposal also includes below-grade space for academic use, an athletic center, and an accessory parking garage with 389 spaces; and approximately 3.8 acres of parkland and publicly-accessible open spaces. Comments are requested on the DEIS and will be accepted until Monday, May 7, 2012.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 11DCP121M.
