		<p><u>Presentation</u></p> <p><i>Sustainable Communities: East New York, Brooklyn.</i> Purnima Kapur, Director of the Brooklyn Office, and Co-Project Managers Koren Manning and Eugenia Di Girolamo will present an overview of the planning process and recommendations for a more livable East New York to promote opportunities for new mixed-income housing, economic development, improved access to job centers, more pedestrian activity and safer streets in this transit rich neighborhood. This two-year planning study was funded by a HUD Sustainable Communities grant. DCP worked extensively with community members to develop this planning framework, which serves as a template for on-going neighborhood planning initiatives and future rezoning to facilitate the Mayor's <i>Housing New York</i> initiative.
