The applicant's development site is currently used for open storage of approximately 100 vehicles. The areas to the east and south are occupied by industrial uses. To the west there are a mix of commercial and residential buildings;
- Community Board 2 approved this application with conditions by a vote of thirty-one (31) in favor with one (1) opposed and one (1) abstention at a public hearing held on April 3, 2014.
