Trees
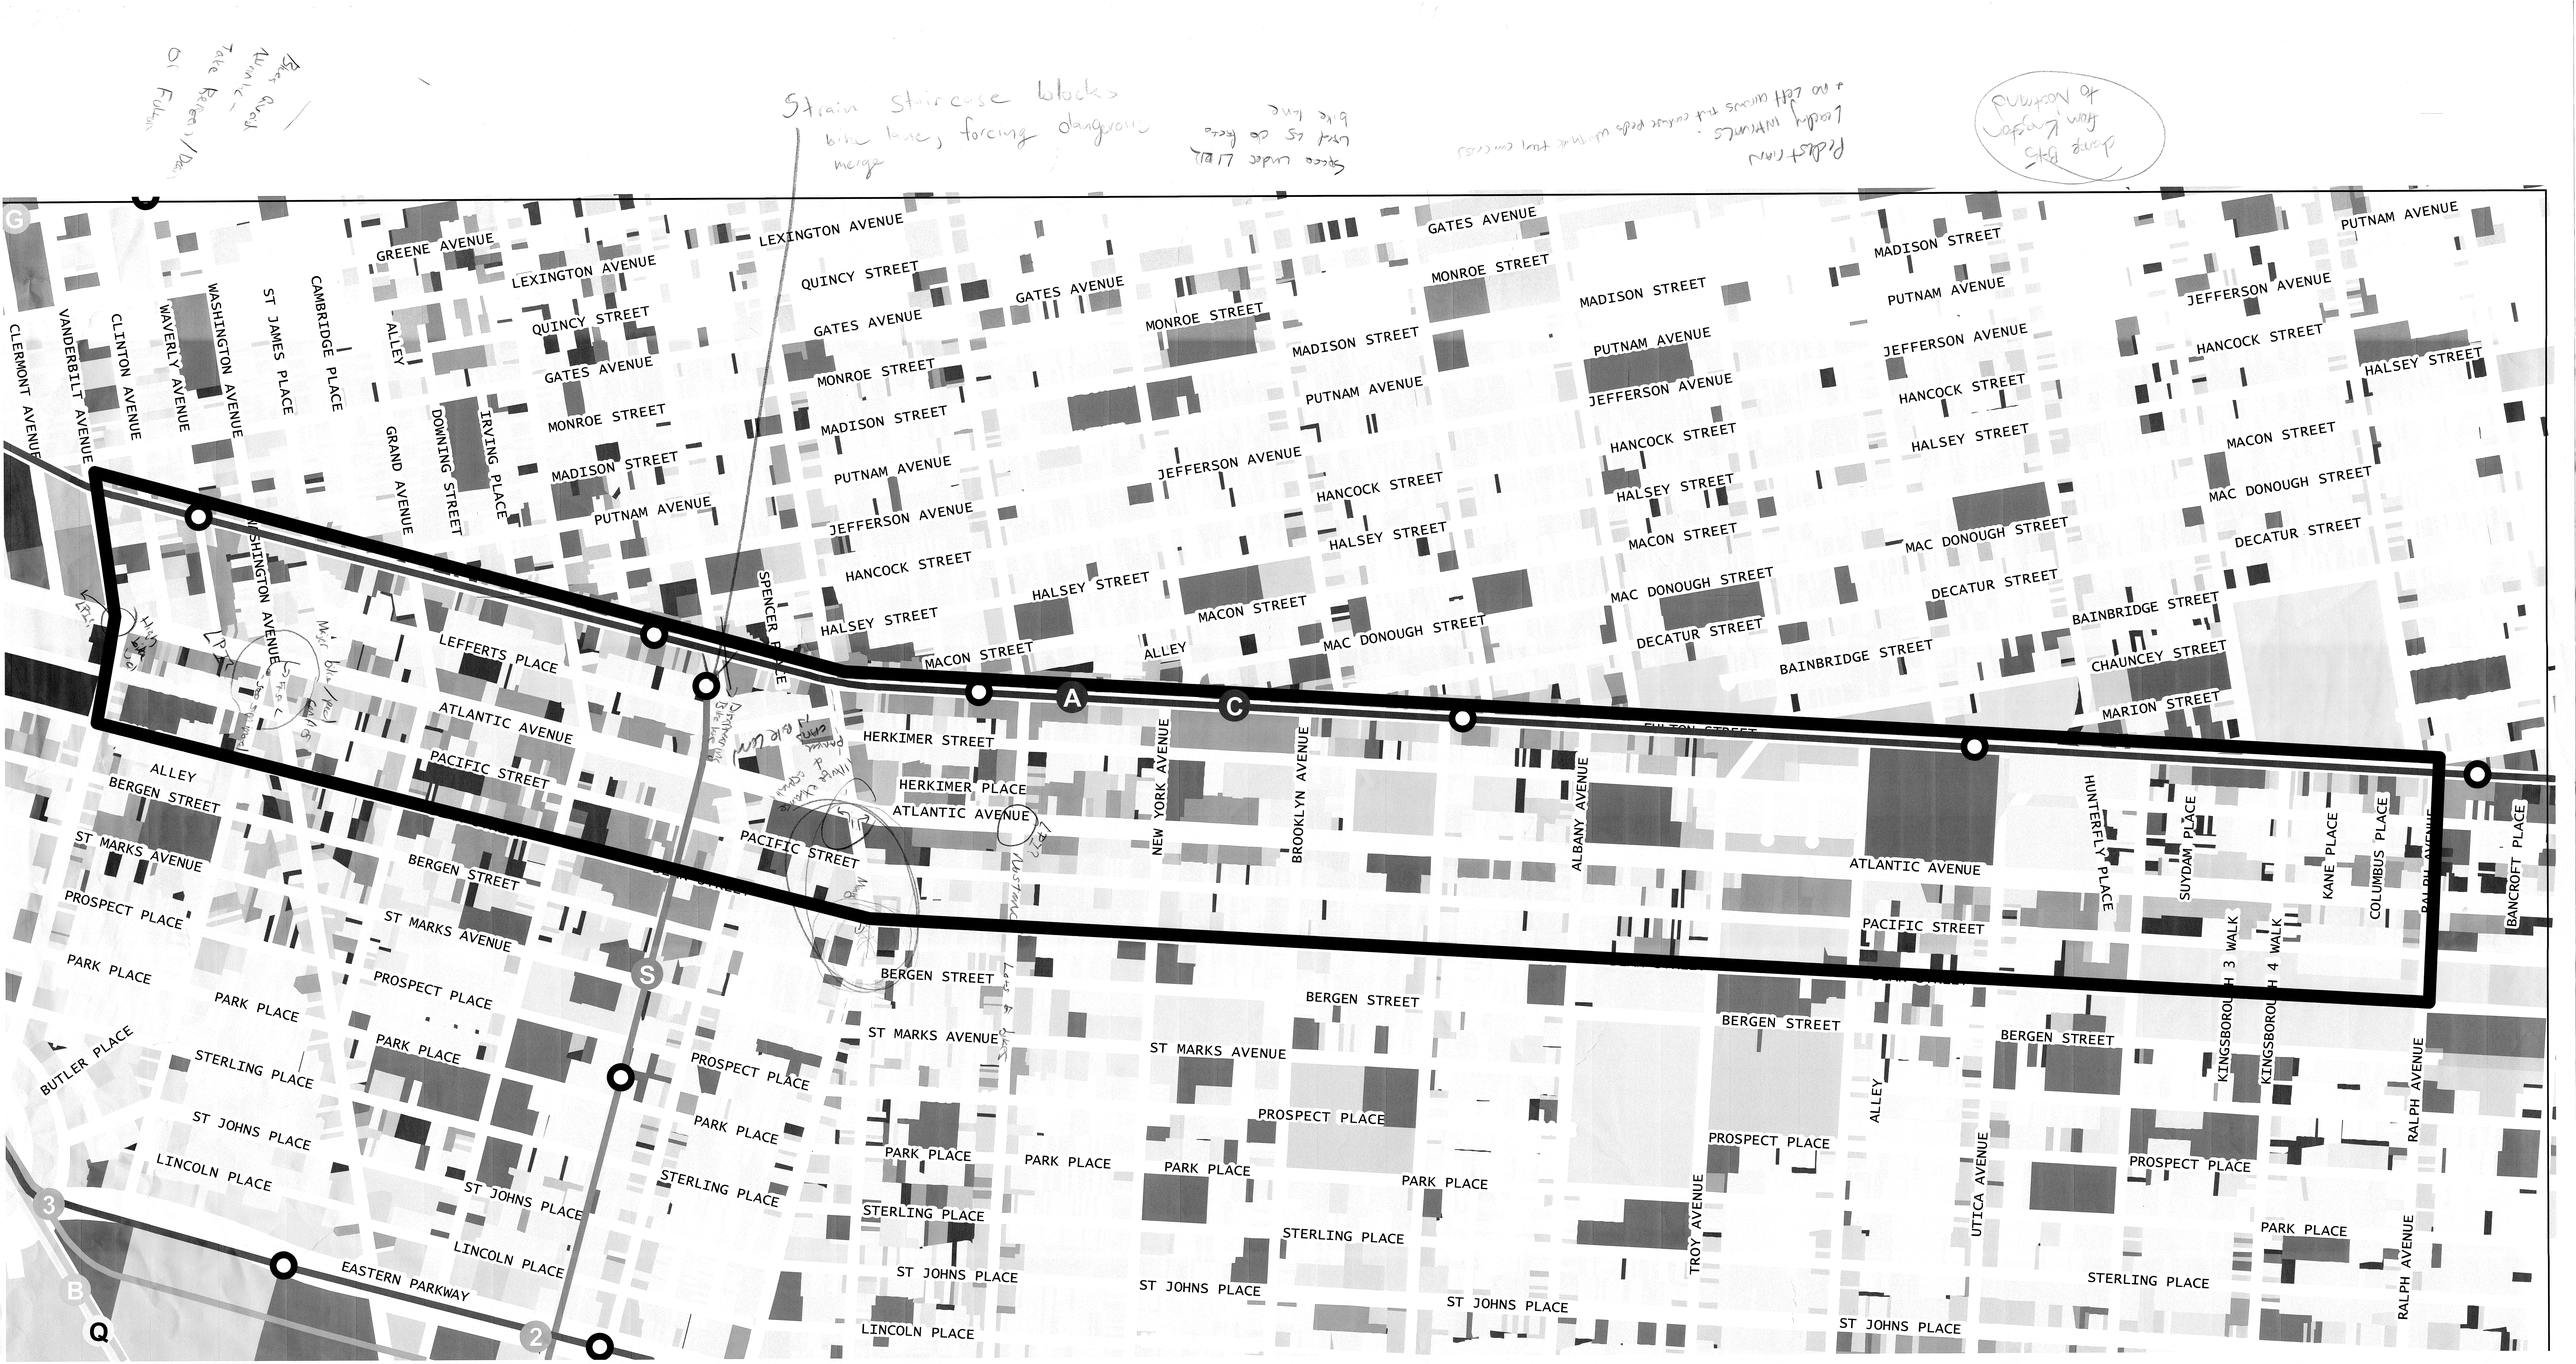
Planters
Longer turn light on Atlantic/Bedford
ale
Count Down Clocks
80 vacant lots
no stalled traffic on 4th Ave
No Speeders



General Concerns:

1. Pedestrian crossing times/signals are not long enough.
2. Roadway conditions are poor, dangerous for cyclists.
3. Car speeds are too fast, dangerous for peds, cyclists.
4. lots of car/ped conflicts related to #1. could use leading ped intervals.

Suggestions:

1. Protected bike line.
2. Leading ped intervals
3. Time lights for lower speeds
4. Repave more frequently.

- no flower pots on 4th Ave
- better pavement on 4th Ave
- no farmers market on 4th Ave
- replace 4th Ave as a quick thoroughfare with speed greater than 25 mph

- no islands on 4th Ave
(only sidewalk safe crossing)
- no bikes on 4th Ave

(1) This is also bike traffic on Atlantic
too dangerous
bike lanes on Flatbush

N

(1) Study allowing left turns onto Atlantic outside of rush hour
Middle Tree area under elevated train
(2) Turn signals for leading/lag Avenue traffic
onto Atlantic
(3) Rule the roads
