

# North Brooklyn Industry & Innovation Plan

Help us plan for the future of North Brooklyn!

Please join the **NYC Department of City Planning** and fellow North Brooklyn business owners, workers, and residents for our **third open house** to discuss the **North Brooklyn Industry and Innovation Plan!**

## Open House #3 for the North Brooklyn Industry & Innovation Plan

Based on community feedback, City Planning will present a revised vision for the future of North Brooklyn with the goals of:

- Creating a better business environment for all
- Reinforcing core industrial uses and supporting growth of a wider variety of businesses in targeted areas
- Improving quality of life for workers, residents, and other community members

Attendees will provide input on the neighborhood vision and policy recommendations

**WHEN:** Wednesday September 28  
5:30 - 7:00pm\*

*\*short presentation at 6:00pm*

**WHERE:** Swinging Sixties  
Senior Center  
211 Ainslie Street, BK

*off the Graham Avenue L train stop*

.....  
**Drop in any time! Food and drinks will be served.**

Workers, business owners, residents, and property owners are all encouraged to attend.

***Habr  un int rprete disponible en la reunion.***
