THE STATE OF CYCLING IN NEW YORK CITY

A Report Based on an Interactive Session Held for Bike Month

Michael Bloomberg, Mayor
City of New York

Amanda M. Burden, AICP, Director
City of New York Department of City Planning

January 2006

The preparation of this report was financed in part through funds from the U.S. Department of Transportation PIN #X500.57.121. This document is disseminated under the sponsorship of the U.S. Department of Transportation in the interest of information exchange. The contents of this report reflect the views of the author, who is responsible for the facts and accuracy of the data presented within. The contents do not necessarily reflect the views or policies of the U.S. Department of Transportation. This report does not constitute a standard, specification, or regulation.

The State of Cycling in New York City was initiated by the Department of City Planning (DCP) to solicit opinions from the public on cycling in the city and as an open forum for people to discuss bike-related issues. The views expressed by participants at the event and documented in this report are not necessarily those of the DCP or the City of New York.
