Ms. Aviles called to meeting to order. The Committee first reviewed a proposal by Mr. Popa to begin posting the CB Committee Meeting recordings online. Mr. Popa noted that this endeavor would have utility in better connecting the community and other Board Members to details at the various committee meetings, especially in the current era using Zoom to conduct and record all open meetings. Ms. Guidice expressed reservations on that initiative based on privacy concerns and the potential to use off-cuff statements against members for speaking their mind. Ultimately, the committee decided to refer the initiative to the full Board at the April 5, 2021 Board Meeting.

The last topic of discussion was the idea to begin a Community Board 11 Service Award. The committee discussed and decided to recommend that this award would be referred to local schools and youth service organizations for their recommendation on a youth that has gone above and beyond to help the community. The youth would give a presentation and be awarded a certificate for their outstanding service. There would be two awards initially, given annually. This proposal would also be referred to the full Board at the April 5, 2021 Board Meeting.

The meeting adjourned.
