Dear Friends,

Summer is upon us and we hope you are enjoying the best time of the year for the residents of Rockaway and Broad Channel. We are hopeful that the rest of the summer will be as beautiful as the first few weeks. Please remind everyone that they should NEVER go swimming without a life guard on duty. If you see a red flag do not go in!

Community Board 14 will be holding a PUBLIC HEARING on the next fiscal year's Capital and Expense budget. If you or your civic or block association have a suggestion for CITY of NY only funded projects please send us an email by August 12 and it will be considered. Our first meeting back after the summer break will be on September 13th at 7:15 Pm. At that meeting we will hold one of two public hearings on the Capital and Expense priority list.

Enjoy your Summer!!

Mosquitoes- We encourage residents to call the Community board if they see dump outs of tires and other debris that can hold water.

Even a paper cup with water in it can be a good environment to breed mosquitoes. Let us know or if you can you clean up small amounts of garbage. Every little bit helps. Call us or 311 with locations

Unsafe/Illegal construction – If you think a home in your neighborhood has been illegally converted to a multi-family home or work has been done illegally call the community board and we will request an inspection by the NYC Buildings Department- after 5pm or weekends call 311
