# Construction Bulletin

The NYCDOT Division of Bridges has initiated lead paint removal and protective coating operations on the **Borden Avenue Bridge over Dutch Kills** in Queens.

Beginning on or about Monday, November 6, **paint removal and protective coating operations on the Borden Avenue Bridge over Dutch Kills (between 27<sup>th</sup> Avenue and Review Avenue) may result in noise and non-toxic odors in the general area between 7 a.m. and 6 p.m.** Noise and air monitoring is in place. Paint removal operations are anticipated to take place intermittently for approximately 6 weeks. The current traffic configuration will remain in place.
