- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system

maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

SECURING VACANT PROPERTIES AT VARIOUS DEVELOPMENTS LOCATED THROUGHOUT THE FIVE BOROUGHES OF NEW YORK CITY - Competitive Sealed Bids - PIN# 61850-2 - Due 5-28-15 at 10:00 A.M.

The New York City Housing Authority (NYCHA) is the largest landlord in the City of New York. Amongst the buildings in our portfolio of owned and managed properties are single-family and duplex homes, known collectively as the FHA Homes. There are approximately 100 individual FHA sites throughout the five boroughs of New York City. Many are empty, with no plans to rent them. Each structure has a unique set of security challenges, such as multiple access points, interior and exterior debris, and vandals attempting to access these properties. In order to protect these properties, NYCHA would like to procure the services of a security firm to install security screens over building access points, as specified herein. The contractor would be responsible for installing, maintaining and removing these security screens, as directed by NYCHA.

This Contract provides for furnishing all labor, materials and equipment, together with all work incidental thereto, required for the securing of opening, specifically windows and doors, in the FHA Homes, as directed by NYCHA. The Authority reserves the right to direct the Contractor to work in all Boroughs of New York City, as required.

Interested firms are invited to obtain a copy on NYCHA's website. To conduct a search for the RFQ number; vendors are instructed to open the "Doing Business with NYCHA", using the link: <http://www.nyc.gov/nychabusiness>. Once on that page, please scroll down to mid page, on the left hand column, select "Selling to NYCHA", click into "Getting Started: Register or Log-in" link.
