The City Planning Commission (CPC), acting as lead agency, issued a Notice of Completion on December 30, 2011 for a Draft Environmental Impact Statement (DEIS) for the proposed NYU Core project in accordance with Article 8 of the Environmental Conservation Law. A public hearing on the DEIS will be held on Wednesday, April 25, 2012, at 10:00 A.M. in the George Gustav Heye Center of the National Museum of the American Indian at the historic Alexander Hamilton U.S. Custom House located at One Bowling Green, New York, New York 10004. Comments are requested on the DEIS and will be accepted until Monday, May 7, 2012.

The DEIS analyzes the potential environmental impacts of the proposed expansion of New York University (NYU) facilities at its academic core near Washington Square, which will require a number of discretionary actions (the "Proposed Actions"). The project site for the Proposed Actions includes: a "Proposed Development Area," two superblocks bounded by LaGuardia Place to the west, Mercer Street to the east, West Houston Street to the south, and West Third Street to the north; a "Commercial Overlay Area," bounded by Washington Square East and University Place to the west, Mercer Street to the east, West Fourth Street to the south, and the northern boundary of the existing R6-2 zoning district near East Eighth Street to the north; and the "Mercer Plaza area," bounded by the western sidewalk of Mercer Street to the east, the existing NYU periphery line east of Weaver Hall to the west, West Third Street to the south, and West Fourth Street to the north. All areas are located in Manhattan Community District 2.

NYU is seeking a number of discretionary actions from the New York City Planning Commission (CPC) including a rezoning, two zoning text amendments, and a large-scale general development (LSGD) special permit with bulk modifications to facilitate the development of four buildings in the Proposed Development Area. NYU is also requesting a change to the City Map that would eliminate, discontinue and close ("demap") four areas within the mapped rights-of-way of Mercer Street, LaGuardia Place, West 3rd Street and West 4th Street, and the subsequent disposition of portions of those demapped areas along with easements in other portions to NYU, and the mapping of portions of two of the demapped areas as a public park. Other discretionary actions needed to facilitate NYU's proposed project include the elimination of NYC Department of Housing Preservation and Development (HPD) Deed Restrictions on the two blocks of the Proposed Development Area (Blocks 524 and 533), potential funding or financing approvals from the Dormitory Authority of the State of New York (DASNY), site selection by NYC School Construction Authority (SCA), and NYC Department of Transportation revocable consent for utility lines beneath City streets.

In addition, NYU submitted an application to the NYC Landmark Preservation Commission (LPC) for a Certificate of Appropriateness (CofA) for proposed changes to landscaping at University Village. LPC approved the proposed landscape changes and issued a CofA in July 2011. The CofA has not yet been issued in its final form as it contingent upon LPC's review and approval of the final NYC Department of Building filing set of drawings. The CofA is a ministerial action and is not subject to environmental review.

NYU proposes to rezone the Proposed Development Area from a residential zone (R7-2) and a residential zone with commercial overlay (R7-2/C1-5) to a commercial zone (C1-7) that has a residential district equivalent of R8. The Commercial Overlay Area would be rezoned from a residential zone (R7-2) to a residential zone with commercial overlay (R7-2/C1-5) to allow for new ground floor retail uses. The proposed zoning text amendments to Zoning Resolution (ZR) Sections 74-742 and 74-743 respectively would allow applications for LSGD special permits within the former Washington Square Southeast Urban Renewal Area to be submitted without meeting normally-applicable ownership requirements and allow public parks in the former Washington Square Southeast Urban Renewal Area to be treated as a street for all zoning purposes. The proposed LSGD special permit (pursuant to ZR Section 74-74) would allow for bulk modifications within the proposed LSGD to permit: a) transfer of zoning floor area between two areas of the South Block; b) waiver of height and setback regulations to allow portions of the proposed and existing buildings to penetrate the required setback and sky exposure plane; c) waiver of rear yard regulations; and, d) waiver of minimum distance between buildings. A portion of the Proposed Development Area (Block 524) is also part of a Large Scale Residential Development (LSRD) designated in 1964. This LSRD would be dissolved as a consequence of the Proposed Actions.

In the Proposed Development Area on the superblock north of Bleecker Street (the "North Block"), the Proposed Actions would facilitate the development of two primarily academic

(410,000 gsf) buildings (LaGuardia and Mercer Buildings) of 128 and 218 feet in height (with mechanical bulkheads at 158 and 248 feet, respectively). On the superblock south of Bleecker Street (the "South Block"), the Proposed Actions would allow for the development of a mixed-use building (Zipper Building) of varying heights up to 275 feet in height (266 feet for mechanical bulkhead) containing academic (135,000 gsf), dormitory (315,000 gsf), hotel and conference space (165,000 gsf), faculty housing (105,000 gsf) and retail (55,000 gsf) uses, and a building (Bleecker Building) of 178 feet in height (208 feet for mechanical bulkhead) containing a public school (100,000 gsf), academic (38,000 gsf) and dormitory (55,000 gsf) uses. If SCA does not exercise its option to build the public school, NYU would build and utilize the 100,000 gsf space for its own academic purposes. The Proposed Development Area would also contain below-grade academic space (484,000 gsf), an athletic center (146,000 gsf), mechanical/service areas (371,000 gsf), approximately 3.8 acres of parkland and publicly-accessible open spaces, and replacement below-grade accessory parking facilities (389 parking spaces). By 2031, the Proposed Actions would result in the development of approximately 2.5 million gross square feet (gsf) of new uses in the Proposed Development Area. Within the Commercial Overlay Area, it is anticipated that NYU would develop up to approximately 24,000 gsf of neighborhood retail uses in the ground floors of six NYU buildings. The Proposed Actions would not result in any physical changes to the Mercer Plaza Area.

The analysis of the Proposed Actions is performed for the expected year of completion of the proposed project, which is 2031. However, since the proposed development would be built out over an approximately 19-year period, some buildings would be completed before 2031, and they could result in significant adverse impacts prior to completion of the full development program. Therefore, the analysis also considers an interim 2021 analysis year, which accounts for full development of the South Block.

The DEIS has identified significant adverse impacts with respect to shadows, historic and cultural resources (architectural), transportation (traffic, transit, and pedestrians), and construction activities related to transportation, noise, and open space. The DEIS identifies measures that would fully mitigate impacts for transportation and construction activities related to transportation (although mitigation measures for the transit impacts have not yet been deemed feasible by the Metropolitan Transit Authority-New York City Transit and will be evaluated further in the FEIS). Partial mitigation measures were identified for shadows, historic and cultural resources (architectural), and construction activities related to noise and open space. Measures to further mitigate these impacts will be further explored and evaluated in the FEIS; if mitigation measures are determined to be infeasible, the significant adverse impacts would remain unmitigated.

The DEIS considered alternatives to the proposed projects that included a No Action Alternative, a Lesser Density Alternative, a No Hotel Alternative, a No Demapping Alternative, and a No Unmitigated Significant Adverse Impact Alternative.

Copies of the DEIS and Final Scope of Work for the proposed NYU Core expansion project may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; or from the Office of Environmental Coordination, 253 Broadway, 14th Floor, New York, New York 10038, Robert Kulikowski, Director (212) 788-9956; and on the New York City Department of City Planning's website at [http://www.nyc.gov/html/dcp/html/env\\_review/eis.shtml](http://www.nyc.gov/html/dcp/html/env_review/eis.shtml).

## AGENCY RULES

## CONSUMER AFFAIRS

### NOTICE

#### NOTICE OF ADOPTION

Notice of Adoption of a Proposed Rule regarding the implementation of a \$300 biennial fee for participation in the directed accident response program (DARP).

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN** the Commissioner of the Department of Consumer Affairs by Section 20-104(b) of Chapter 1, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department of Consumer Affairs promulgates and adopts a rule regarding the implementation of a \$300 biennial fee for participation in the directed accident response program (DARP).

This rule was proposed and published on February 27, 2012. The required public hearing was held on March 29, 2012.

This rule will take effect in 30 days.

Material being deleted is shown below in brackets and material being added is underlined.

#### Statement of Basis and Purpose

The directed accident response program (DARP) is administered by the Commissioner of the Department of Consumer Affairs pursuant to Section 20-518 of the Administrative Code. Section 20-518(a)(5) authorizes the

Commissioner to adopt a biennial fee for participation in the DARP program. Section 20-518(g) further authorizes the Commissioner to promulgate rules and regulations as necessary to effectuate Section 20-518. The proposed rule would impose a biennial fee on DARP participants to recoup the costs of administering the program.

The DARP program was established by Local Law Number 28 of the City of New York for the year 1987 in an effort to end the practice of “chasing,” in which tow truck operators monitored police radio transmissions to learn of vehicular accidents and then raced each other to accident scenes in an attempt to secure the resultant towing and ancillary repair work, often posing a threat to life and property in the process. Under the DARP program, participating towing companies are placed on a rotating list and are summoned after an accident by the New York City Police Department to remove vehicles that cannot be safely driven under their own power.

### RULE

Section 1. Subdivision (r) of Section 2-371 of Subchapter EE of Chapter 2 of Title 6 of the Rules of the City of New York is hereby amended to read as follows:

(r) [Reserved.] Participants shall pay a biennial fee of \$300.

## CITY PLANNING

### NOTICE

**City of New York Department of City Planning Department of Homeless Services Substantial Amendment to the 2011 Consolidated Plan 30-day Public Comment Period Addendum - Emergency Solutions Grant (ESG)**

Pursuant to 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York Announces the 30-day public comment period for the substantial amendment to the 2011 Consolidated Plan: Addendum: Emergency Solutions Grant.

The public comment period will begin Monday, April 9 and end on Tuesday, May 8, 2012.

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program, and revises the Emergency Shelter Grants program and renames it as the Emergency Solutions Grants (ESG) program. The HEARTH Act also codifies into law the Continuum of Care planning process, a longstanding part of HUD's application process to assist homeless persons by providing greater coordination in responding to their needs.

On November 15, 2011, the US Department of Housing and Urban Development released an interim rule which revises the regulations for the Emergency Shelter Grants program by establishing the regulations for the Emergency Solutions Grants program. The change in the program's name, from Emergency Shelter Grants to Emergency Solutions Grants, reflects the change in the program's focus from addressing the needs of homeless people in emergency or transitional shelters to assisting people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

Additional funding has been allocated in FY2011 in conjunction with the interim Emergency Solutions Grant rule. The City of New York is expected to receive \$4,448,535 in additional ESG funds.

All comments received at the end of the comment period (close of business) will be summarized and the City's responses incorporated into the 2011 Consolidated Plan amendment addendum for submission to HUD.

The City of New York must submit the amendment to HUD by May 15, 2012 in order to be eligible to receive its allocation.

On Monday, April 9, copies of the 2011 Consolidated Plan - Addendum: Emergency Solutions Grant (ESG) will be made available at: The City Planning Bookstore, 22 Reade Street, New York, NY (Monday 12:00 P.M. to 4:00 P.M., Tuesday thru Friday 10:00 A.M. to 1:00 P.M.).

In addition, on Monday, April 9 at 10:00 A.M. an Adobe PDF version of the amendment will be available for free downloading from the internet via both the Department of

Homeless Services' and the Department of City Planning's websites at: [www.nyc.gov/dhs](http://www.nyc.gov/dhs) and [www.nyc.gov/planning](http://www.nyc.gov/planning), respectively.

COURT NOTICE MAP FOR SANITATION GARAGES FOR BROOKLYN COMMUNITY DISTRICTS 1 AND 4

## READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

### CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

### PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
